

Most of the patients are LSIs

EV logs 31 new COVID-19 this week

LIZBETH ANN A. ABELLA w/ RESTITUTO
A. CAYUBIT & RONALD O. REYES

TACLOBAN CITY- The number of Corona virus 2019 (COVID-19) cases in the region continue to increase with the Department of Health (DOH) announcing of 31 new cases this week.

And most of these new COVID-19 patients are those considered as locally stranded individuals or LSIs like the new case, a 25-year old man from Tacloban.

This brings the total number of cases in Tacloban City to 54.

With 31 new cases, the region has now a total COVID-19 cases of 563, the DOH-8 said.

Of the new cases, the youngest patient is a three-year old girl from Carigara, Leyte who was infected by her 'close contact' who works at Eastern Visayas Regional Medical Center (EVRMC).

Carigara town Vice Mayor Eduardo Ong, Jr., in his Facebook post, said that the patient is now at their isolation facility. Ong reminded the town's residents to remain calm and to continue to strictly follow the safety protocols set by the health department to stay home.

Earlier, 14 medical workers of the said hospital, considered the region's COVID-19 facility, were infected by the dreaded virus.

The swab samples of these 31 patients were released by the EVRMC and Divine Word University see EV logs /page 8 ...

CHURCH RECOGNITION. Tacloban City Mayor Alfred Romualdez (2nd to the left) was honored by the Palo Archdiocese through Archbishop John Du for his 'enormous sacrifices and dedication' in the fight against coronavirus 2019 (COVID-19). Romualdez received the plaque of appreciation from Archbishop Du after the Pontifical Mass held in honor of the city's patron Senior Santo Niño last June 30, the city's 131st fiesta celebration. With them were Fr. Ronel Taboso (left) and Fr. Wilson Chu of the Santo Niño Parish. (From Mayor Alfred Romualdez Facebook)

EDC donates RT-PCR testing center to Ormoc city government

ORMOC CITY – Lopez-led renewable energy company Energy Development Corporation (EDC) is taking a huge step to help Ormoc City put up its own Covid-19 testing facility by donating a P25 million worth of equipment, including a state-of-the-art Real Time Reverse Transcriptase-Polymerase Chain Reaction (RT-PCR) machine.

On Friday (July 3), City Mayor Richard Gomez and Vice Mayor Leo Carmelo see EDC /page 8 ...

MOA. Ormoc City Mayor Richard Gomez (center), together with Vice Mayor Leo Carmelo Locsin, entered into a memorandum of agreement with the Energy Development Corporation (EDC) which donated the RT-PCR machine placed at the OSPF-FMC, as represented by its vice president lawyer Roy Bernard Fiel (right). Also signing the agreement via Zoom was Allan Barcena, EDC's head of its corporate social responsibility public relations. The signing was held on Friday, July 3. (MA. RUBY ESPINA)

COVID-19 isolation center for health workers, frontliners to rise in Biliran

TACLOBAN CITY- The province of Biliran will soon have its isolation center intended for health workers and other frontliners who are infected with the coronavirus.

The two-storey facility will have a 50-bed capacity with the construction to start immediately, Rep. Gerardo Espina, Jr. said.

According to Espina, the P7.5 million worth building will sit at 600 square meter lot donated by the provincial govern-

ment located in Barangay Larrazabal in Naval town.

WE DELIVER!

As Tacloban celebrates its 131st annual fiesta Church fetes EVRMC workers for selfless service amid COVID-19

TACLOBAN CITY- The Sto. Nino Parish here in the city has recognized the health workers of Eastern Visayas Regional Medical Center (EVRMC) as the frontliners in the battle against coronavirus disease (COVID-19) in the region.

"These are the people who are sacrificing so much to prevent the spread of the virus, they deserve our gratitude," said Sto. Nino Parish priest Wilson Chu during the Pontifical Masses for the 131st annual fiesta celebration of the city on Tuesday (June 30).

"Our dear Lord is using these people to keep us safe," added Chu during the recognition ceremony.

Dubbed as "modern day heroes," the awardees include the nurses, doctors, nursing aide, medical technologists, and hospital cleaners "who selflessly dedicated their efforts to

serve those who are affected by COVID-19 pandemic at EVRMC-Magsaysay and EVRMC- Bagacay."

The awardees were Jeryl Gler, Connie Diana Opinion, Ma. Jinky Dela Cruz, Sheila Marie Palulay, Jerry Somera, Martin Ramos, Edwelen Robert, Nikki Anne Domingo, Sherill Oballo, Neil Krister Remandaban, Sarah Tabuyan, Emily Astilla, Marc Nonato Calumpiano, Kim Rubillos, Maria Trisha Salipuran, Jestoni Bacarra, Gem Adrian Salvacion, Michelle Galban, Steve Paolo Bobon, Pinky Inciso, Brian Marmita, Lucille Romines, Carl Yap, Roger Joseph Jecino, Yvette Marie Eder, Candice Marie Del Monte, Karl Andrew Abanilla, Katrina Carmel Rapada, Leisa Jeane Kaye Gobenciong, Faryssa Gay Anne Mante, Maria Sheryl Indencia, Anna Charissa Sanopo, Andreu Leo Lominoque, Sara Jane Villamor,

Katherine Dela Cruz, Lavilla Ashley Arbas, Ramon Kristoffer Mengullo, Charmaine Ross Garado, Roque Rowell Aruta, and Adrian Jesus Lim.

The Sto. Nino Parish also awarded a plaque of appreciation to Dr. Kae Portula, Bing Hubilla, and Dr. Salvador Evardone, chief of hospital, for their "commendable service."

"There are a lot of doctors and nurses who were not mentioned but their commitment and dedication are marvelous which significantly contributed to beat the common enemy which is Covid-19. A boundless gratitude is due to them," said the EVRMC in a statement.

As of July 1, the region recorded a total of 547 COVID-19 cases, including 102 health workers mostly from EVRMC and other health care facilities in the region. **(RONALD O. REYES)**

2 DPWH officials now full-fledged chiefs

CARIGARA, Leyte - The Department of Public Works and Highways-Leyte Second District Engineering Office has officially appointed Annabelle A. Asis and Engr. Michael H. Cabangisan as heads of administrative section and maintenance section, respectively.

They are both appointed through the office memorandum approved by the regional director.

Asis is a graduate of Bachelor of Arts in Economics at Eastern Visayas State University, Tacloban City (EVSU) formerly known as Leyte Institute of Technology (LIT) in 1994. She continued her professional growth by achieving a master's degree in Public Management at Naval State University, Naval, Biliran in 2013.

Prior to her appointment, her career in this of-

Annabelle A. Asis

fice started as a laborer in March 2001 until she became a regular employee, and later on was followed with her promotion as Administrative Officer IV in July 2012.

Cabangisan, on the other hand, is a Civil Engineering graduate of the Divine Word University, Tacloban City in 1983.

He obtained his license as a Civil Engineer in 1983. He then extended his achievements by gaining units in a master's degree in Business Management at

Asian Development Foundation Tacloban City in 2008.

Prior to his designation, he started his career as a laborer in July 1988 until he became a regular employee after a year, and later on was followed with his promotion as Engineer I in June 1990.

Engr. Michael H. Cabangisan

Engr. Cabangisan has been appointed to replace Engr. Francisco Robin, Jr. who is currently the OIC-Assistant District Engineer of the district. **(LIZBETH ANN A. ABELLA)**

As part of the coronavirus disease 2019 (COVID-19) response efforts of the Tacloban city government, staff from the Management Information System (MIS) on Thursday prepares the COVID-19 pass cards that will be used in the new Digital Contact Tracing Application. The said the office is working 24/7 to obtain the 100,000 pass cards target that will be given to all Taclobanons. As of today, the pass cards made are already 30% of the said target.

The new app, developed by MIS, will soon be used in lieu of the manual registration on log sheets. Not only is it consistent with contactless transactions, but it also makes contact tracing a lot accurate and easier.

'Most wanted' shot dead by Ormoc cops after opening fire to officers

TACLOBAN CITY- A 35-year old man listed among the most wanted was shot dead by policemen after he allegedly opened fire on officers serving an arrest warrant in Ormoc City last June 30.

The fatality, Rodel "Ode" Arsenal, had a warrant of arrest dated February 8, 2019, for frustrated murder and attempted murder issued by Judge Wenifredo Cuaton of Regional Trial Court (RTC)-Branch 11 in Calubian, Leyte.

The operatives said that while they were implementing the warrant of arrest to Arsenal at around 3:35 pm at Tzu Chi Village in Barangay Liloan, they were fired upon by the suspect with his Cal .45 pistol, prompting the police officers to retali-

ate.

Arsenal was hit in the different parts of his body which caused his instantaneous death, according to a police report.

The joint police operation was conducted by Criminal Investigation Branch (CIB) led by Major Alex Echon, Ormoc City Police-Station 3 and Ormoc City Mobile Force Company under the supervision of Colonel Armel Gongona, Ormoc city police director.

"Here in Ormoc City, peace and order remains to be our priority despite the fact that we are preoccupied in addressing the COVID-19 pandemic. Our police force remains busy with their work," Ormoc Mayor Richard Gomez said. **(RONALD O. REYES)**

PNP Regional Director Balba turned over high frequency radios to different police units

PALO, Leyte – The communication capabilities of the police officers assigned in the field here in the region is boosted with the turnover of 41 units of high frequency radios by the Police Regional Office (PRO-8) based in Camp Ruperto K Kangleon, this town.

Police Brigadier General Bernabe Balba, police regional director, told reporters in an interview that his office has turned over 41 units of high frequency radios to different units in Eastern Visayas held at PRO-8 grandstand spearheaded by Police Major Marciano Tuballas, acting chief, Regional Communications and Electronics Unit (RCEU) last on June 29.

Balba said that the 41 units include 27 units Codan high frequen-

Police Brigadier General Bernabe Balba

cy base radio that comes with a desktop and printer and 14 units Codan high frequency manpack radio were turned over to different Police Provincial Offices (PPOs), Ormoc City Police Office (OCPO), Regional Mobile Force Battalion (RMFB) and selected Provincial and City Mobile Forces.

Moreover, Regional Tactical Operations Cen-

ter (RTOC), Aviation Security Unit 8 (AVSEU8), Maritime Group (MG) and RCEU8 were also included as recipients of the said communication equipment.

Balba explained that the said units will also be utilized in the Retooled Community Support Program (RCSP), a multi-stakeholder and community-based peace and development effort aimed to establish and protect a conflict-affected community especially in Samar provinces where armed-conflict groups are present.

“I humbly ask all the recipients for the proper handling and care of these high frequency radios. Please use it well and with utmost care as it is integral in our day to day functions as Police Officers,” Balba said. **(RESTITUTO A. CAYUBIT)**

Health exec says swab testing all LSIs is resource draining; suggest of placing them in isolation facility instead

TACLOBAN CITY – Subjecting all arriving locally stranded individuals (LSIs) to swab test is resource draining.

Instead these returning LSIs should be immediately isolated or quarantined by their respective local government units, Roderick Boyd Cerro, sentinel nurse and chief of the Regional Epidemiology and Surveillance Unit of the Department of Health(DOH-8), said.

The spike of coronavirus disease 2019(COVID-19) cases of the region was largely attributed to the massive arrivals of the LSIs as well as those who have availed of the Balik Probinsiya program and returning overseas workers.

Of the 563 confirmed COVID-19 cases of the region, more than half of them were LSIs.

“We have sufficient evidence that these returning residents are infected. Testing them is resource draining. We need huge amount of resources if we will test them all,”Cerro said.

“These returning LSIs, upon their arrival, should be immediately quarantined for 14 days. We don’t need to test them, we’ll just consider them as infected. This way, our resources would not be exhausted and better used for testing for local transmission which is far more dangerous,” the health official added.

The return of the LSIs to Eastern Visayas was temporary halted by the government through a resolution of the National Inter-Agency on COVID-19. This after the region’s lawmakers and mayors, particularly from Leyte, seeking for a temporary stop of their return to their hometowns.

Mayors have also complained that their limited resources are also being drained with the return of these individuals as they have to maintain the quarantine facility and provide them their daily meals.

Cerro added that they already made an appeal to local officials to stop subjecting the returning residents for

RT-PCR test but instead immediately isolate them in a facility for 14 days.

As of Friday, the region has about 563 COVID-19 cases. **(ROEL T. AMAZONA)**

234 new cops take oath in Eastern Visayas

PALO, Leyte- A total of 234 new policemen took their oath on Wednesday (July 1) at the Camp Ruperto Kangleon grounds, this town.

Brigadier General Bernabe Balba, director of Police Regional Office (PRO)-8, congratulated the new batch of officers of the Philippine National Police (PNP) for passing the rigorous selection process.

“To the newly recruits, you have met an incredible obstacle on your journey of becoming police officers, and keep this in mind that being such is not just a mere job, but rather, it is a title with responsibility, passion, and dedication,” Balba said.

He also thanked the medical personnel, recruitment team, and other

Northern Samar illegal cutting of trees declines; P8.4 million lumber confiscated

TACLOBAN CITY – The illegal cutting of trees in the first district of Northern Samar has declined to a negligible level.

Thus declared Rep. Paul Daza of the first congressional district of the province in a mobile phone interview with Leyte Samar Daily Express said that the series of operations conducted by the authorities on the timber poaching in the early part of this year have resulted to the decline of the illegal cutting of trees in his district.

Rep. Daza said that the efforts and accomplishments of the law enforcers to stop the illegal cutting of trees in his district is commendable as he declared that one of his advocacies is the protection and conservation of the environment.

The solon explained that in his advocacy for the protection and conservation of the environment, he just wants to protect the people in his district from floods and landslides and other devastations brought about by calamities which are blamed on environmental destruction and degradation.

It was learned that the intermittent timber

The illegally cut lumber confiscated in Northern Samar by the authorities. (Photo by: DENR)

poaching in the first district of Northern Samar has been going on for years now.

Records at the Department of Environment and Natural Resources regional office 8 (DENR-8) based in Tacloban City disclosed that the series of operations conducted by the authorities from the month of April, 2020 to early part of this month of June has resulted to the confiscation of more than 165,000 board feet of assorted sizes of lumber with an estimated value of P8.4 million in the municipality of San Isidro and its nearby areas.

Daza said that residents in his district have blamed rampant illegal cutting of trees for the massive flood-

ing during typhoons for the past years resulting in deaths and agricultural destruction in the province of Northern Samar.

It can be recalled that the House of Representatives has conducted an investigation last January 2019 on the reported rampant illegal logging in the provinces of Samar and Northern Samar.

The illegal cutting of trees was blamed on the massive flooding and landslides at the height of Typhoon ‘Usman’ on December 28, 2018.

There were eight people who died in Northern Samar and five people in Samar during the fury of Usman.

(RESTITUTO A. CAYUBIT)

gram, only 234 successfully passed the process.

“Of these 234, 196 are males and 38 are females. To fill up the quota of 250 recruits,16 male qualified applicants from Police Regional Office (PRO) - 6 are now en route to join as they are realigned to this PRO,” added Lieutenant Colonel Ma. Bella Rentuaya, spokesperson of PRO-8.

The new batch of police officers will undergo the mandatory training, Public Safety Basic Recruit Course

(PSBRC) for six months at the Regional Training Center (RTC) in Kuta Kankabato, San Jose, Tacloban City.

It will be followed by another six months of the Field Training Program (FTP).

According to Rentuaya, the recruitment process followed all the health guidelines and protocols amid the health crisis. **(RONALD O.REYES with RESTITUTO A. CAYUBIT)**

Don't Fear COVID-19

Coronavirus disease (COVID-19) is indeed a killer disease. The number of those affected not only in our country, but others in Asia and the Western world, and those who die is daily increasing. But brace up – feel confident you will not become a victim of this cruel crisis that has hit us.

Be a good citizen. Obey rules and regulations to protect us from this satanic virus. Always wear face masks especially when you go out of your home. Strictly observe social

distancing and maintain cleanliness – take a bath daily and wash hands often.

And the best defense is sincere prayers to Almighty God the owner of our human lives. Pray to God Almighty in the name of JESUS CHRIST, His Son, our Lord and Saviour that those who are presently trying to discover cures and medicine to produce them soonest. At the moment there are already produced medicines but they are still being tried and tested. Do not be afraid of this COVID-19. This will soon pass away. Think positive.

Observer

ALVIN GZ. ARPON

Still on Illegal Drug Proliferation

When will this illegal drug menace end in our country. It appears that illegal drugs will remain a threat to the health of Filipinos, most specially our young ones. Peace loving citizens of

our land wonder, coupled with frustrations, even anger why this illegal drug problem has not been solved by this administration. Raids that have been conducted by the Philippine Drug Enforcement

Agency (PDEA) and other peace and order agencies always reveal that results of their raids in the reported drug dens confiscated drugs cost millions of pesos. *Yes, millions of pesos!!*
-oOo-

We wonder but at the same time suspect that government is either incompetent in its war on drugs or maybe senseless officials in government, and influential personalities in society are involved as they are suspected they probably get shares from the millions generated by this illegal drug trade.

Why this suspicion? Up to now after 4 years of this administration we still have to hear or read

in media reports *apprehensions of drug lords and wealthy financiers*. Of course government operatives have arrested several drug pushers, and these are merely small time operatives.
-oOo-

To recall: Eradication of this drug menace in the country was one of the top agenda of President Duterte when he assumed the Presidency.

Think positive!! Let's HOPE that in the remaining 2 years of the Duterte government it will *finally double its efforts* in the eradication of illegal drugs in our country. We sincerely hope!!!

What's New
Mr. Q?

TENTE U. QUINTERO

“Lutong-Macao ba ang pagba-balik ownership ng ABS-CBN?

“*Lutong-macao*” (o’ *dejadong negosasyon*) *ba ang pagkakabalik ng ABS-CBN* (from Marcos’ martial regime) to the Lopezes?

Wow, big words (nay, HUGE words!) to describe the return of the ABS-CBN (and the MERALCO) properties to the Lopezes weeks after the 1986 transfer of the presidency from former Ferdinand Marcos to the Cory Aquino.

But here’s what were “uncovered” during the “zoomed” participation in the joint hearing of the House Committee on Legislative Franchises & House Committee on Good Government & Public Accountability

of a known lawyer, Atty. Augusto “Jake” Almada-Lopez, now 95 years old, -- not a relative of the Lopezes, but a close family friend of Don Eugenio “Geny” Lopez, Jr., the father of Eugenio “Gabby” La’o Lopez III, the top honcho of ABS-CBN.

During the above-mentioned Joint Committee Hearing, Atty. Augusto “Jake” Almada Lopez, admitted that in his youthful years, he had a case in court, and the lawyer who defended him was a young brilliant law practitioner, named Joker Arroyo.

Naturally, a lawyer-client relationship was nurtured among the two.

After the EDSA Rev-

olution, President Cory Aquino issued Executive Order No. 1, creating the PCGG or Presidential Commission on Good Government, mainly to recover the so-called “hidden wealth” of the Marcoses.

She ordered an official Arbitration Hearing of all properties supposedly sequestered during the martial law period, and that the Arbitration should be open & fair, mainly for the possible return of said sequestered properties; and these included the properties of the Lopezes, including the ABS-CBN and MERALCO to the Lopezes.

Don Eugenio “Geny” Lopez Jr., sent Atty. Jake Almada Lopez to Malacañang for the official arbitration, as directed by President Cory.

And on the Malacañang side, who was the person directed by President Cory to meet with Atty. Augusto Jake Almada-Lopez?

No less than the Malacañang Executive Secretary JOKER ARROYO – the former lawyer of Atty. Augusto Jake Almada-Lopez!

see “*Lutong-macao* / page 9 ...

there is that member of the lower house busy with papers on top of a table inside the halls of congress while the national anthem is being played. The action of the representative was caught by cameras covering the hearing on the franchise of abs-cbn that had been going on for weeks. It was shared on social media platforms and netizens saw the display of disrespect to the national flag and the national anthem. It was too glaring as the other people in the hall were standing at attention with their right palm on their left chest. The representative could not refute the video that spread for everyone to see.

The representative came out with an arrogant apology that appeared insincere as he hurled baseless accusations against abs-cbn

Commentary

FR. ROY CIMAGALA

Formation under the new normal

WE know that our need for formation is a continuing one. It’s a never-ending affair. That’s because not only do we have to pursue the ideal of the fullness of our humanity, let alone, our Christian perfection—already a formidable, overwhelming task—but we also have to contend with the changing circumstances as we go along, which can be very tricky to us. And some of these changes can be drastic and radical!

We can imagine, for example, how things will be after this pandemic we are having at the moment. We cannot anymore do things the way we used to do them. There will be new challenges in many fronts—personal, professional, social, etc. The need for adaptation is going to be very exacting.

But we just have to find ways to adapt to the new or the next normal. Remember Christ saying, “No one sews a patch of unshrunk cloth on an old garment. For the patch will pull away from the garment, and a worse tear will result. Neither do men pour new wine into old wineskins. If they do, the skins will burst, the wine will spill, and the wineskins will be ruined. Instead, they pour new wine into new wineskins, and both are preserved.” (Mt 9,16-17)

We have to take time to study how we can pursue this indispensable task of our continuing formation given the drastic changes and the new challenges of our times. It would be advisable to consult with some people who may give us new ideas and techniques, especially in the area of the new technologies.

Of course, it is important that we are very

clear about what are truly essential in our formation—that God is the source and end of everything, that we have been created in his image and likeness, that we are meant to sanctify ourselves usually in the middle of the world and to help in the work of human redemption through our personal apostolate, that God meets us in all the circumstances of our life and invites us to love him and everyone else, etc.

For all these, we are supposed to be strong and stable humanly and spiritually, knowledgeable about the doctrine of our Christian faith that gives us the global picture of things. We have to learn how to pray and do the necessary practices of piety given the likely scenario that our days will have more things and more challenges.

We have to learn how to deal with our weaknesses, limitations, failures, temptations and sins. Of course, we also have to learn how to properly deal with our

successes and achievements and the other good things in life that can spoil us if not handled well. Yes, we have to learn how to strike a good balance between the new and the old, our immediate requirements and our ultimate necessities.

We can imagine that the new or the next normal will require of us more resilience, patience and humility, since it is most likely that we will have to study new things. We may even have to change profession, not to mention our social and economic status. We should be ready to strengthen our spirit of sacrifice, otherwise we will likely fall into depression and the like.

In all this, we should try to maintain a calm and cheerful bearing and outlook, knowing that God takes care of everything, and that everything will work out for the good if we are with God. (cfr. Rom 8,28) We just have to learn how to be sport and game, considering these new challenges as some kind of a divinely-directed adventure.

Although we may not be able to avoid worrying completely, let us consider these worries as an occasion to get closer to God, begging him for some help, asking for some miracle if we want it, etc. Our spirit of divine filiation, that conviction that we are children of a good father who takes care of us in everything, should remain strong!

Foulshot

AL ELLEMA

Special species

People witnessed the latest display of power and arrogance from the self-declared national saliva. The venomous spits emanating from the powerful head place the Filipino populace under fear of breaking directives. Foremost of all directives being spat by the national saliva on a regular basis commands wear mask and stay home unless issued a quarantine pass which local government units

grant to one person for every household. The young under 21 years of age and those over 60 years old are barred from going outside their homes. Those who need to go out to procure essential goods and services like buying medicine and food that are not available in the locality are excused from toeing the directive.

Aside from the national saliva who was seen enjoying at sea with marine creatures,

Prayer for the Nation and for Those who Serve in Public Office

Pray the Holy Rosary daily for world peace and conversion of sinners (The family that prays together stays together)

God, our Father, you guide everything in wisdom and love. Accept the prayers we offer for our nation, by the wisdom of our leaders and integrity of our citizens, may harmony and justice be secured and may there be lasting prosperity and peace.

Almighty and eternal God, You know the longings of our hearts and You protect our rights in your goodness, watch over those in authority, so that people everywhere may enjoy freedom, security and peace.

We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, forever and ever, Amen. (Courtesy of Daughters of St. Paul)

Ordinance No. 08 Series of 2020					
Sponsor	:	HON. MERLITA S. EVANGELISTA HON. HARLAN A. TOMENIO, SR.			
Be it ordained by the Sangguniang Bayan of San Jose, Northern Samar in session assembled that:					
AN ORDINANCE REGULATING THE OPERATION OF MOTOR VEHICLES WITH MODIFIED MUFFLERS WITHIN THE MUNICIPALITY OF SAN JOSE, NORTHERN SAMAR AND PRESCRIBING PENALTIES THEREOF					
WHEREAS, Section 15 of the 1987 Constitution of the Philippines provides that <i>“The State shall protect and promote the right of the people and instill health consciousness among them”</i> ;					
WHEREAS, Section 16 of the Local Government Code of 1991 partly provides that <i>“Every local government unit shall exercise the powers expressly granted, those necessary implied therefrom, as well as powers necessary, appropriate, incidental for the efficient and effective governance, and those which are essential to the promotion of the general welfare”</i> ;					
WHEREAS, the rampant proliferation of all types of vehicles which emitted deafening roar coming from modified aftermarket pipe/muffler or swapped-out stock pipe/muffler is quite alarming;					
WHEREAS, motor vehicles are originally equipped with silencers or mufflers for anti-noise pollution reasons; however, a number of vehicles owners remove these silencers or modify their mufflers to make the sound emitted by the exhaust pipes louder;					
WHEREAS, there are some motor vehicles with loud and roaring mufflers oftentimes causes serious discomfort especially during unholy hours and has created numerous complaints and public condemnation;					
WHEREAS, there is a need to make people act responsibly over the use of their motor vehicles so as not to cause disturbance and annoyance to the public;					
NOW WHEREFORE, after thorough deliberations and discussions and upon motion of HON. HARLAN A. TOMENIO, SR. with secondment of HON. MERLITA S. EVANGELISTA and HON. ELECTORADO P. SOMORAY, JR. , this Sangguniang Bayan in session assembled hereby ordains that -					
SECTION 1. Short Title - This Ordinance shall be referred to and known as the “Anti modified muffler ordinance of the Municipality of San Jose, Northern Samar”.					
SECTION 2. Definition of Terms - As used in the Ordinance, the following terms shall be construed as follows:					
			a.) “ dB(A) ” means the sound pressure level in decibels measured on the “A” scale of a standard sound level meter having characteristics defined by the American National Standards Institute, Publication ANSI s1-4-1971.		
			b.) DECIBEL is a unit used to express the magnitude of sound pressure and sound intensity.		
			c.) MODIFICATION is the act or process of changings parts of something; the act or process of modifying something; a change in something; as used in this ordinance, the term “modification” also includes the removal or the tampering of something.		
			d.) MODIFIED MUFFLER is a muffler look-a-like but without its silencer component having them removed/tampered, which results to a loud noise or engine.		
			e.) MOTOR VEHICLE is a self-propelled wheeled vehicle that does not operate on rails, such as trains or trolleys. The vehicle propulsion is provided by an engine or motor, or some combination of the two, such a hybrid electric vehicles and plug-in hybrids. For legal purposes, motor vehicles are often identified within a number of vehicles classes including motorcycles, tricycles, automobiles or cars, buses, motorcycles, off highway vehicles, light trucks and trucks or lorries.		
			f.) MUFFLER is a device for reducing the amount of noise emitted by the exhaust of an internal combustion engine; also termed as “silencer” in British English.		
			SECTION 3. Declaration of Policy - It shall be the policy of the San Jose, Northern Samar to adhere to, promote, uphold and maintain peace and peaceful environment within its territorial jurisdiction for the general welfare of its constituents, particularly the elderly.		
			SECTION 4. Coverage - This Ordinance shall cover all motor vehicles with modified muffler, whether public or private, including those already existing, whether being used, or merely parked on the roadside or in a repair shop in the Municipality of San Jose, Northern Samar.		
			SECTION 5. Nuisance - Any motor vehicle with modified muffler shall be considered a nuisance, a prima facie evidence of a violation and its user/owner shall be apprehended or cited for violation by any authorized traffic enforcer, police authority and/or their deputized force multipliers who shall automatically act motu proprio without need for the use of Sound-Level-Meter.		
			SECTION 6. Prohibition - Except otherwise, it shall be unlawful to:		
			a.) Any person to use or operate any motor vehicle so modified or with removed muffler as to cause loud and unnecessary or unreasonable noise including the noise resulting from exhaust, which is clearly audible from nearby properties and unreasonably disturbing to the quiet, comfort or repose of other persons;		
			SECTION 7. Exception - Section 6 shall not apply to any person or organizer operating a motor vehicle during a race competition or motocross competition and while it runs a racetrack, provided the person or organizer has acquired a written permission from the Office of the Municipal Mayor. Any such permission only extends to the person or organizer asking permission and over his motor vehicle for the specific race event applied for.		
			SECTION 8. Responsibility of Seller/Retailr of Vehicles and Parts - It shall be the duty of seller/retailer of vehicles to inform buyers of the existence and enforcement of this Ordinance within the Municipality of San Jose, Northern Samar. They are likewise hereby discouraged to sell open-typed-mufflers, whether branded or not.		
			SECTION 9. Responsibility of Repair Shops Owners/Managers - Owners and/or Managers of Repair shops of vehicles have the duty to inform their customers about the existence and enforcement of this Ordinance within the Municipality of San Jose, Northern Samar. And should a violation of this Ordinance is spotted with any law enforcer within the shop, its owner or manager shall allow the law enforcer to confiscate the subject vehicle, subject to the issuance of confiscation receipt for every vehicle.		
			SECTION 10. Penalty - Violators of this Ordinance shall be penalized accordingly, to wit:		
			First offense	-	Fine of Php 1,000.00
			Second offense	-	Fine of Php 2,000.00
			Third offense	-	Fine of Php 2,500.00 and/or imprisonment of not more than 6 months depending on the discretion of the court
			For each violation, however, the motor vehicle with modified muffler shall be impounded until the corresponding administrative fine is settled.		
			SECTION 11. Impounding Fee - In addition to the administrative fine, an impounding fee of Two Hundred Pesos (Php 200.00) per day, computed in a daily basis, shall be charged against the violator of this ordinance.		
			SECTION 12. Lead Office - The San Jose Municipal Police Station shall implement this Anti Muffler Ordinance. Barangay Officials are required to help the police officers in implementing this legislative measure by means of reporting said violators to their office.		
			SECTION 13. Separability Clause - If, for any reason or reasons, any part or provisions of this Ordinance shall be held to be unconstitutional or invalid, other part or provisions hereof which are not affected thereby shall continue to be in full force and effect.		
			SECTION 14. Repealing Clause - Ordinances, rules and/or regulations or parts thereof, which are inconsistent or in conflict with the provisions of this Ordinance are hereby repealed and/or modified accordingly.		
			SECTION 15. Effectivity Clause - This Ordinance shall take effect after posting in a public and conspicuous place in all sixteen (16) barangays of San Jose, Northern Samar.

DPWH concretes Cacaransan to Saputan FMR in Calbayog City

CALBAYOG CITY- The Department of Public Works and Highways – Samar First District Engineering Office has completed the concreting of the farm-to-market road (FMR) going to Barangays Cacaransan and Saputan, this city.

The project covers the construction of 947 meters Portland Cement Concrete Pavement (PCCP) with slope protection.

Also included is an open drainage system de-

signed to discharge heavy volumes of stormwater run-off. This prevents flooding or ponding that may eventually weaken the pavement.

The project has a contract amount of more than 22 million in convergence with the Department of Agriculture. (CHENZI MAY UY/PR)

EDC...

...from Page 1

Locsin, together with EDC president and chief operating officer Richard B. Tantoco and Ormoc Sugarcane Planters Association Incorporated-Farmers' Medical Center OSPA-FMC vice president lawyer Roy Bernard Fiel, signed a memorandum of agreement through online formalizing the first Ormoc Molecular Diagnostic Center.

The facility aims to do mass testing for coronavirus disease 2019 (COVID-19) and gather all the necessary information to find ways to flatten the curve and manage the pandemic in the area.

"Today marks another milestone as we hold our ceremonial MOA signing via Zoom for the first time," said lawyer Allan Barcena, head of EDC's Corporate Social Responsibility-Public Relations team that spearheaded the fulfillment of the company's commitment to this project.

"While we see this virtual event as part of the new normal, it is a proof that EDC's almost 40-year strong partnership with Ormoc City cannot be hindered even by this COVID-19 crisis that we and the rest of the world are in right now," he stressed.

EDC's donation is a critical component of the project considering that the RT-PCR is the standard testing method used to detect SARS-CoV-2, the causative agent of COVID-19.

Under the agreement, the city government of Ormoc shall provide the necessary supervision, technical support, and the needed fixtures, furniture and facilities for the Molecular Testing Laboratory, as well as execute all pertinent documents as part

of its responsibilities to the project.

Meanwhile, OSPA-FMC shall operate and manage the facility and provide the appropriate staff who are proficient in molecular diagnostic techniques, as provided by the guidelines issued by the Department of Health.

It will ensure that the laboratory shall only use Food and Drug Authority (FDA) registered testing kits, reagents and devices, and that RT-PCR machine and all other equipment in laboratory are properly maintained.

All three parties are working double-time to make the facility operational soon for the benefit not only of the Ormocanons but also of residents from the western part of Leyte and also those from the provinces of Biliran and Southern Leyte.

Ormoc, along with Kananga, Leyte, has been home to EDC's 711-megawatt (MW) geothermal facility, the world's largest wet steam field.

EDC's Leyte geothermal facility has been supplying more than 30% of the country's installed geothermal capacity for almost 40 years. It is also responsible for putting EDC and the Philippines on the map as the world's 3rd largest geothermal producer.

City Vice Mayor Locsin narrated how in one evening in May 2020 that they

planned to have their own COVID-19 testing center to help contain the spread of the virus.

"The manpower is already strained. And the task that time was how to buy the machine and how much would it could the city, including the accreditation process," he said, adding the partnership only aimed for a safer and healthier Ormoc.

But with EDC's donation of this top-of-the line equipment and OSPA-FMC's offer to operate the machine, the plan is near to completion.

In his acceptance message, Mayor Gomez expressed his elation with the partnership his administration has forged with the private sector like the EDC.

"Very seldom we see corporations, people and the community, the local government unit, professionals and the national government working together in harmony. Fantastic and very needed, will bring good news to the beautiful people of Ormoc," the city mayor said.

The mayor assured that the city will take good care of the equipment since the facility will be beneficial not just for the people of Ormoc but for the whole province and the region as well.

EDC president Tantoco, in his message via Zoom, explained that the company will be doing projects like this because the Lopez group is true to the credo

Leyte, aside from Tacloban City, the two new cases were from Villaba and Carigara towns, while in Southern Leyte province, the patients were from San Francisco, Pintuyan, with one each; Silago, four; Padre Burgos, two and one each from Tomas Oppus and San Juan.

In the province of Biliran, the new cases were from Caibiran, Biliran, Cabucgayan, and island town

Samar Gov. Tan appeals to LSIs to coordinate them first before they return home

TACLOBAN CITY – Samar Governor Reynolds Michael Tan issued his appeal to the returning locally stranded individuals (LSIs) from the province to coordinate with the provincial government before they return home.

The provincial government has a program for the LSIs dubbed as 'Balik-Samar' who are still in Metro Manila and other parts of the country but want to return to the province.

Most of these LSIs are construction workers, house helpers and students who were stranded due to travel restriction imposed in Luzon after a lockdown was imposed there to prevent further spread of the coronavirus disease 2019 (COVID-19).

Under the Balik-Samar, the provincial government provides free transportation and meals to every beneficiary who enrolled to the program.

The meals are provided by Samar Rep. Sharee Ann Tan of the second congressional district.

Before they are pick up by the service vehicle provided by the province, the LSIs have to inform first the provincial government that process their medical certificates and submit their

that they are reciting numerous times in a year - and that is helping the community grow.

In jest, Tantoco added that at first he doesn't have the idea that the machine cost millions but for the resiliency and safety of the Ormocanons, EDC will be funding 100% of the project.

The MOA states that there will be reasonable fees to be collected from the requesting party (who will undergo testing) to cover maintenance and operating cost. (MA. RUBY ESPINA)

of Maripipi.

The province has now 17 COVID-19 cases with one death from Kawayan town. New cases were confirmed in Motiong and Calbayog City.

Meantime, DOH Regional Director Minerva Molon said that out of the region's 563 COVID-19 cases, 321 of them have recovered from the virus infection.

Governor Reynolds Michael Tan

names to the Philippine National Police for their travel authority.

Before the LSIs depart Metro Manila, their identities are double checked by staff of the provincial government if they are indeed the persons who are inside the bus.

Once they arrived in the province, they are brought to a temporary holding area in Barangay Payao in Catbalogan City where they undergo rapid testing. They will be pick up by their respective local government units.

Gov. Tan said that they first inform the local government units if they are willing to accept the LSIs and how many they could accommodate.

It was learned that there were LSIs who returned to their respective hometowns without informing their local government units which

resulted to congestion of their isolation facilities.

As of June 29, of the more than 400 beneficiaries of Balik-Samar, two were tested positive of COVID-19. The two are both residents of Zumarra-ga, an island municipality in the second district of the province.

The two individuals, according to Zumarra-ga Mayor Myrna Tan, are construction workers in Makati who arrived in the province on June 13. They undergo rapid test and had a non-reactive result after arriving in Catbalogan and were selected on random swab test on June 17.

The two positive patients, a 50-year old male and a 21-year old male, are now placed at the municipal isolation facility and the villages where they live were placed under lockdown until July 2.

Mayor Tan appealed to her residents who wanted to go home to coordinate with the national and provincial governments on their plan to return to the municipality.

Samar province has a total of 107 confirmed cases as of June 29 with one recorded death related to COVID-19 in Tarangnan town. (ROEL T. AMAZONA)

Drug suspect arrested in Alangalang town in Leyte

TACLOBAN CITY- Police arrested a 34-year-old drug suspect in a joint buy-bust operation in Alangalang, Leyte last June 30.

The suspect was identified as Aldrin Tolibas, single, a resident of the said town.

Purchased from Tolibas was one piece heat-sealed transparent plastic sachet containing suspected "shabu," as subject of sale.

Confiscated from his possession were five pieces of heat-sealed transparent plastic sachet of suspected shabu and one piece P500 bill used as buy-bust money.

Documentation and inventory of evidence was witnessed by barangay officials and Department of Justice repre-

sentative Melo Corales according to a police report.

The operating units were from Alangalang Municipal Police Station led by Captain Arturo Salvacion Jr. and Leyte Provincial Police Office-Provincial Drug Enforcement Unit Team 4 headed by Major Ariel Salarda, in coordination with the Philippine Drug Enforcement Agency (PDEA)-8. (RONALD O. REYES)

COVID-19...
...from Page 1

The solon, who is the vice chairman of the committee on health and vice chairman of defeat COVID-19 ad hoc committee at the House of Representatives, said that the facility is intended for health workers and frontliners who are suffering from coronavirus disease 2019(COVID-19).

While the province of Biliran has no known health workers who have been infected with COVID-19, the regional office of the Department of Health in Eastern Visayas has reported of 102 health workers who have been infected with the dreaded virus.

“Lutong-macao...

Now, at this stage, all that is known of the Arbitration meetings or hearings, is that minutes of said meetings and records are already gone, and all that is known is that these were held in at least two venues during that time – over 30 years ago.

But Congressman Rodante Marcolita of the SAGIP Party List, asked the lawyers and ABS-CBN President and CEO himself Mr. Carlo Katigbak during the Joint Hearing, to present the official ARBITRAL AWARD of said ABS-CBN Properties to the ABS-CBN Broadcast Corporation, as mandated by President Cory Aquino through her Executive Order Number One, creating the Presidential Commission on Government or PCGG...

Mr. Katigbak and the ABS-CBN Lawyers could not present the all-important ARBITRAL AWARD.

So, Congressman Rodante Marcolita, announced during the Joint Hearing, that the ownership of the ABS-CBN is questionable, unless Mr. Carlo Katigbak and the lawyers of the ABS-CBN can show proof of ownership.

Congressman Marcolista said that until and unless the ABS-CBN can show the ARBITRAL AWARD as

The Biliran solon said that he hope to see the facility completed in one month's time considering of its 'urgency.'

He said that the needed funding is already available with the help of Leyte Rep. Ferdinand Martin Romualdez who is the Majority Floor Leader of the Lower House.

The construction of the said facility will be done by the Department of Public Works and Highways.

Meantime, the province of Biliran has about 17 confirmed cases with the towns of Cabucgayan, Biliran, and Maripipi having new cases.

The eight new cases of the province involved locally stranded individuals (LSIs).

(JOEY A. GABIETA)

decided by the Arbitration Committee created by Malacañang through Executive Order Number One, the ownership of the ABS-CBN is questionable.

Abadaw ini, ada nagtitica-grabe ini nga caso.

So, again, as I usually end my Column regarding unsettled questions, “Abangan ang Susunod na Kabanata”.

Philippine hawk-eagle rescued in Samar town

TACLOBAN CITY –A juvenile Philippine Hawk-eagle (*Spizaetus philippensis*) was rescued in Marabut, Samar, the regional office of the Department of Environment and Natural Resources (DENR) said.

DENR-8 Regional Executive Director Tirsso Parian, Jr. told reporters in an interview that a composite team of police and DENR-8 personnel rescued the hawk-eagle held captive inside a compound in Barangay Veloso, Marabut town.

Director Parian said that the presence of the bird inside the compound was reported to the Marabut Philippine National Police who immediately conducted an inspection to check on the veracity of the report.

Coordination was then made with DENR Community Environment and Natural Resources Office (CENRO) Sta. Rita for the

The Juvenile Philippine Hawk-eagle, in a cage, rescued from captivity in Marabut, Samar. (Photo by: DENR-8)

immediate rescue of the hawk-eagle.

Parian said that presently, the hawk-eagle is kept at CENRO Sta. Rita's rescue center for further examination and rehabilitation before it is released back to its natural habitat as he warned the public against keeping wild animals as pets.

“Wild animals, especially those threatened

and endangered are protected by laws. Keeping them as household pets is punishable, and may bring you to jail,” he said.

The Philippine hawk-eagle locally known as “banog” or “lawin” is a bird of prey that is endemic to the Philippines. It is classified as endangered under the IUCN Red List

Category and Criteria 2016 and DENR department administrative order (DAO) 2019-09 on the Updated National List of Threatened Philippine Fauna and their Categories. Mere possession of this species is punishable under the Republic Act 9147 or the Wildlife Conservation Act. (RESTITUTO A. CAYUBIT)

TESDA Leyte, TESDA RTC Tacloban inks MOC with 546th ECB

The Technical Education and Skills Development Authority (TES-

DA) Leyte Provincial Office with TESDA Regional Training Center

Tacloban (RTC) signed a memorandum of convergence (MOC) with 546th

Engineering Construction Brigade of the Philippine Army as a partner for training and assessment in various heavy equipment operations.

The partnership was initiated to support the goal of increasing more skilled workforce of the country under its “Build Build Build” program.

“Our goal of this partnership is to train and certify skilled workers to support the government's thrust in the construction sector. With this, TESDA also prioritizes its scholarship funds to construction-related programs such as heavy equipment operation,” said TESDA Leyte Provincial Director Loreta D. Banario.

Under the MOC, the 546th ECB allows the use of materials, tools, and equipment required for trainings to proceed as needed by TESDA RTC Tacloban's trainees and candidates for assess-

ment.

“I would like to assure you that the “Barrier Breakers” Battalion will do whatever it can in order to provide a successful implementation of this memorandum of convergence,” said LtCol. Ricnon U. Carolasan of 546th Engineering Brigade.

TESDA RTC Tacloban's acting center administrator Emmanuel Garcia stated that the said convergence signifies its continued commitment to serve the Filipinos.

Meantime, the institution intends to initially register Heavy Equipment Operation – Hydraulic Excavator NC II, Heavy Equipment Operation (Wheel Loader) NC II and Heavy Equipment Operation – On Highway Dump Truck (Rigid) NC II for training and assessment aspects. (PR)

(L-R) Major Reynerio S. Dagatan, executive officer and Lieutenant Colonel Ricnon U. Carolasan, commanding officer of the 546th Engineering Brigade together with TESDA Leyte Provincial Director Loreta D. Banario and Engr. Emmanuel M. Garcia, acting administrator of TESDA Regional Training Center Tacloban, signing the memorandum of convergence between the institutions in providing skills training for heavy equipment operations held on June 29, 2020 at Kuta Kankabato, San Jose, Tacloban City

Geo energy gets push from Cusi

The Department of Energy is pushing for the development of geothermal power among the various renewable resources in the country to help attain energy security.

Energy Sec. Alfonso Cusi in a meeting with officials of DOE last week said that he directed his team to prepare a formal directive that would contain initiatives and guidelines on how to further promote geothermal energy development and increase its utilization especially as it is indigenous to the country.

Regional Director

Leyte hosts the 711-Megawatt geothermal facility owned by geothermal leader Energy Development Corporation. It is the country’s biggest geothermal facility and the biggest wet steamfield in the world that has been supplying clean, renewable source of power to the Visayas region for over 36 years.

“I would like to issue an order to really look deeply and comprehensively into how we can develop geothermal,” Cusi said, adding that in promoting renewable energy, “it is best for the country to focus on the resources that are abundant available, and extend all the necessary support to encourage its development through innovative policies and strategies.”

Cusi cited Vietnam that is developing the strength of its hydro resources. “They are very strong on hydro and that’s what they are developing. It doesn’t mean that they don’t have the other sources, but they focused on the strength of this particular resource,” he noted.

Cusi also said that while geothermal power plants may be expensive to develop and may take a longer time to build, “it will be able to generate the kind of power that will help sustain the energy security of the country in the long-term.”

EXTRAJUDICIAL SETTLEMENT AND ADJUDICATION OF ESTATE WITH ABSOLUTE SALE

NOTICE is hereby given that heirs of the late TEOFILO MABANSAG ABARRACOSO extrajudicially settled, partitioned and adjudicated over a parcel of land designated as Lot 37-K, Bsd-08-00021 (OLT) being a portion of Lot 37, Pls 658-D situated at Brgy. Calapi, Motiong, Samar with an area of 21,269 square meters, more or less covered by TCT No. EP-460. A Deed of Absolute Sale was executed in favor of RICKY L. LANGI married to JANETTE BABALCON as vendee of the above-described property. Per Doc No. 500, Page No. 101, Book No. 628, Series of 2019. Notary Public Atty. Demetrio Medino J. Acuba. *LSDE: July 4, 11 & 18, 2020*

“This is the time to sit down and explore ways to support geothermal, because one installation will easily wipe out the 1,000MW installation of solar. I am for RE that would help improve the energy security of the country,” Cusi pointed out.

“Let us break our head, think on how we can promote this source of energy – renewable that is really indigenous to us,” he added. “Eto, proven na natin itong geothermal. Let’s go for it and regain our previous global standing as one of the top countries in geothermal development,” Cusi said, noting that the Philippines used to be number one in the field.

To date, the Philippines continues to have the highest RE generation mix within the Southeast Asian region. In 2018,

RE accounted for about 33.2% of our country’s total primary energy supply. The figure is already 10% ahead of the regional target set forth in the Association of Southeast Asian Nations (ASEAN) Plan of Action on Energy Cooperation, which seeks to increase the RE component on the ASEAN total primary energy mix to 23% by the year 2025.

Present during the team meeting were DOE Senior Undersecretary Jesus Cristino P. Posadas, Undersecretary Felix William B. Fuentebella, Undersecretary Emmanuel P. Juaneza, DOE-Renewable Energy Management Bureau Director Mylene C. Capongcol, and Electric Power Industry Management Bureau Director Mario C. Marasigan. **(PR)**

WHEREAS, there is a Presidential Proclamation No. 922 series of 2020 issued by President Rodrigo Roa Duterte declaring a State of Public Health Emergency throughout the Philippines due to COVID-19 which enjoins all government agencies and Local Government Units to render full assistance and cooperation in this time of national health crisis;

WHEREAS, Council Resolution No. 2020-053 declares that the *City of Catbalogan is in a State of Calamity* and pursuant to Section 458 (a)(iv) of the Local Government Code of 1991, *“the City Council can adopt measures to protect the inhabitant of the city from the harmful effects of man-made or natural disasters and calamities, and ** Provide relief services and assistance for victims during and in the aftermath of said disasters or calamities and their return to productive livelihood following said events”*;

WHEREAS, on March 17, 2020 THE City Mayor issued Executive Order No. 03-010 Declaring the City of Catbalogan under Enhanced Community Quarantine and subsequently on April 03, 2020 Executive Order No. 04-001 Series of 2020 “Executive Order Further Strengthening the Enhanced Community Quarantine Guidelines of the City and aligning the said Guidelines to Bayanihan To Heal As One Act, Republic Act No. 11469 and the latest issuances of the Department of the Interior and Local Government and Executive No. 04-004 Series of 2020 Extending the Effectivity of Executive Order No. 04-001: “Strengthening the Enhanced Community Quarantine Guidelines” until 11:59 PM of April 30, 2020 Unless Earlier Revoked or Extended;

WHEREAS, under Section 5.1.1 of DILG Memorandum Circular No. 2020-062 entitled as “Suppletory LGU Guidelines on the Implementation of Enhanced Community Quarantine in Luzon, and State of Public Health Emergency in Other Parts of the Country due to the COVID-19 Threat, *“all LGUs are charged with the promotion of health and safety within their jurisdiction. As such, they are take to the lead in the prevention and control of the spread of COVID-19 at the local level;*

WHEREAS, in order to overcome the present threat of COVID-19, the City Government of Catbalogan must require simultaneous efforts on different fronts, including all the persons who are living or working in Catbalogan City, to cooperate together and work harmoniously with a common goal of defeating the COVID-19 threat;

WHEREAS, all persons are hereby enjoined to work together, among others, to protect and support our health workers and front liners, ensure that the enhanced community quarantine is strictly implemented and direct everyone to be part of the solution in reducing the local or community transmission of COVID-19;

WHEREAS, in fighting this invisible enemy, the mandatory use of face masks can significantly reduce the possibility of local or community transmission and can effectively reduce the contagion in the communities especially by persons who are asymptomatic but may already be carriers of COVID-19;

WHEREAS, another health advisory of the Department of Health requires persons to strictly observe stringent physical distancing to ensure that the virus is not passed on to other persons through the release of respiratory droplets and other contact from an infected person;

WHEREAS, by mandating the use of face masks and strict physical distancing that result to reduced COVID-19 infections, the people of the City of Catbalogan are keeping the health workers and hospitals from becoming overwhelmed with COVID-19 patients;

NOW THEREFORE, BE IT ORDAINED, AS IT IS HEREBY ORDAINED, by the Sangguniang Panlungsod of Catbalogan in session assembled that:

Section 1. Mandatory Use of Face Masks. Every person is required to wear face masks at all times, especially when going outside of their residence, at the workplace, when entering government buildings and offices and while in public places. This requirement shall be followed while there is a continuing local or community transmission threat of the Covid virus within the City of Catbalogan.

A face masks is a protective mask used to cover the nose, mouth and chin with specifications and proper use as recommended by the Department of Health (e.g. surgical masks, medical masks, N95 masks) or reusable or washable face masks ordinarily sold in commercial markets.

Due to scarcity of face masks, any cloth that can cover the nose, mouth and chin shall be considered as an equivalent face mask.

Section 2. Stringent Physical Distancing. All persons are mandated to exercise stringent physical distancing of at least one (1) meter from other persons during the Enhanced Community Quarantine or while the threat of COVID-19 is still persisting.

Section 3. Distribution of Face Masks. The City Government of Catbalogan shall distribute face masks to residents through the assistance of the barangays and other relevant local government offices. The barangay officials shall ensure that each family shall have reusable face masks or disposable face masks to wear each time an authorized family member possessing a quarantine pass shall step outside of the residence to do essential activities or when going to work at exempted establishments. In the absence of available reusable or disposable face masks, the use of an equivalent face mask shall be allowed.

Section 4. Compliance in Private Commercial Establishments. To effectively promote and encourage compliance to this Ordinance, all private commercial establishments operating in the City of Catbalogan shall conspicuously display at or near the entrance of the establishment a full copy of this Ordinance, and strictly prohibit entry of any person who is not wearing a face masks or an equivalent thereof in the establishment.

They shall also install physical barriers, markings or any structure that will promote physical distancing among its customers.

Section 5. Penalties. Any person who fails to wear a face mask or does not exercise stringent physical distancing shall be meted out the following penalties:

First (1st) Offense. The offender shall be meted a fine of One Thousand Pesos (P1,000.00) and attend awareness campaigns on COVID-19 for at least three (3) hours as conducted by the barangays and other local government offices.

Second (2nd) Offense and subsequent offenses. The offender shall be meted a fine of two thousand five hundred pesos (P2,500.00) and shall be monitored and strictly prohibited from leaving his or her residence during the remaining period of the enhanced community quarantine or any extension thereof, except for an emergency medical situation or when in imminent danger.

Any business entity found to have violated this Ordinance shall be penalized with a fine of Five Thousand Pesos (P5,000.00), or imprisonment of three (3) months, or both at the discretion of the court.

If the offense is committed by a corporation, partnership or other juridical entity duly organized in accordance with law, the Chief Executive Officer, President, General Manager, and or such other Officers-In-Charge shall be liable.

In addition, the business permit and license to operate of the concerned entity shall be suspended or cancelled after hearing. As preventive measure, immediate closure of the establishment shall be enforced pending such hearing.

If the person violating is a government employee or a public official, the violation or infringement shall be a ground for the filing of an administrative case against said employee or official.

Any public officer mentioned in Section 6 hereof, who shall knowingly and maliciously, prevent, prohibit, refuse, discontinue or violate the implementation of this Ordinance shall suffer the penalty of a fine of Five Thousand Pesos (P5,000.00) and/or imprisonment of three (3) months upon the discretion of the court. In addition, the public officer concerned shall be held administratively liable under applicable laws.

Section 6. Enforcement. This Ordinance shall be primarily implemented by the members of the Catbalogan City Police Station. The Catbalogan Law Enforcement Auxiliary Unit, Barangay Officials and Tanod and Civic Organization (React Hamorawon, Kabalik Kat Civicom, United Kabalik Kat).

Section 7. Budgeting. The City Government of Catbalogan shall obtain the necessary funds to implement this Ordinance from its Annual Budget.

Section 8. Information and Educational Campaign. The City Tourism Office/Pub-

lic Information Office and non-government organizations shall disseminate information on the requirements of this Ordinance to the public immediately upon effectivity of this Ordinance.

Section 9. Separability Clause - If any provision of this Ordinance is determined to be invalid, illegal or unenforceable, its remaining provisions shall remain in full force as though this Ordinance did not originally include such invalid, illegal or unenforceable provision.

Section 10. Effectivity. This Ordinance shall take effect three (3) days after the approval of the Mayor and posting in conspicuous places and shall remain in full force and effect during the Community Quarantine period imposed by the City Government.

ORDINANCE NO. 2020-009

AN ORDINANCE IMPOSING A 24-HOUR CITY-WIDE CURFEW DURING THE ENHANCED COMMUNITY QUARANTINE, AND ANY EXTENSION THEREOF, AND IMPOSING THE APPROPRIATE PENALTIES THEREIN.

Sponsor: Hon. Renante F. Aquino

WHEREAS, the 1987 Constitution provides that the maintenance of peace and order, the protection of life, liberty, and property, and promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy;

WHEREAS, Section 16 of Republic Act No. 7160 Otherwise known as the “Local Government Code of 1991” states that every local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare. Within their respective territorial jurisdiction, local government units shall ensure and support the promotion of health and safety, maintain peace and order, and preserve the comfort and convenience of their inhabitants;

WHEREAS, under the same Code, the Sangguniang Panlungsod that enact ordinances, approve resolutions and appropriate funds for the general welfare of the city and its inhabitants pursuant to Section 16 thereof, and for an efficient and effective city government, maintain peace and order by enacting measures to prevent and suppress lawlessness and disorder, and adopt measures to protect the inhabitants of the city from the harmful effects of man-made or natural disasters and calamities;

WHEREAS, the Sangguniang Panlungsod also has the power to approve Ordinances which shall ensure the efficient and effective delivery of the basic services and facilities as provided for under Section 17 of the Local Government Code, and in addition to said services and facilities, approve measures and adopt quarantine regulations to prevent the introduction and spread of diseases;

WHEREAS, the City of Catbalogan recognizes the right of every Catbaloganon to Health, and shall protect their lives and limbs from any form of danger;

WHEREAS, there is an emergence of a novel corona virus that have been acknowledged by the global community to cause public health emergencies of international concern;

WHEREAS, the World Health Organization (WHO) has already made the assessment that COVID-19 can be characterized as a pandemic;

WHEREAS, on March 8, 2020, President Rodrigo Roa Duterte issued Proclamation No. 922 declaring a Public Health Emergency throughout the Philippines due to COVID-19;

WHEREAS, on March 12, 2020, the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF) issued Resolution No. 11, Series of 2020 placing the entire country into Code Red Sublevel 2, and President Duterte approved the imposition of Stringent Social Distancing Measures in the National Capital Region (NCR) for thirty (30) days from March 15 to April 14;

WHEREAS, at present, the Department of Health (DOH) recorded 6,459 confirmed cases of COVID-19 infections, of which 613 recovered already and 428 accounted fatalities. Throughout the country, there are still hundreds being monitored and investigated, and the number continues to rise;

WHEREAS, as of April 15, 2020, the City of Catbalogan has already 8 suspected cases of COVID-19 infections;

WHEREAS, the alarming increase in the spread of the novel corona virus calls for a decisive, urgent action. As it is now, for everyday of delay in our action to contain the spread of the virus, it will mean the exponential increase in people getting infected; An emergency situation such as spread of the corona virus requires immediate action and as the time is of the essence, public interest dictates that we must act fast to protect the health of the people;

WHEREAS, the Sangguniang Panlungsod of Catbalogan passed Resolution No. 2020-053 entitled: “A RESOLUTION DECLARING THE CITY OF CATBALOGAN UNDER STATE OF CALAMITY DUE TO THE SPREAD OF THE NEW CORONA VIRUS DISEASE 2019 (COVID-19)” on March 17, 2020;

WHEREAS, on March 17, 2020, the City Mayor issued Executive Order No. 03-010 Declaring the City of Catbalogan under Enhanced Community Quarantine and subsequently on April 03, 2020 Executive Order No. 04-001 Series of 2020 “Executive Order Further Strengthening the Enhanced Community Quarantine Guidelines of the City and aligning the said Guidelines to Bayanihan To Heal As One Act, Republic Act No. 11469 and the latest issuances of the Department of the Interior and Local Government and Executive Order No. 04-004 Series of 2020 Extending the Effectivity of Executive Order No. 04-001: “Strengthening the Enhanced Community Quarantine Guidelines” until 11:50 PM of April 30, 2020 Unless Earlier Revoked or Extended;

WHEREAS, as one of the important measures to prevent the spread of the Virus, there is a need to pass a legislation of a temporary nature imposing a 24/7 curfew for all residents of the City during the entire quarantine period.

NOW THEREFORE, be it ordained by the Sangguniang Panlungsod of the City of Catbalogan, in session assembled:

Section 1. Curfew Hours; Covered Persons. There is hereby imposed a 24/7 curfew for all persons in the City of Catbalogan during the community quarantine period imposed by the City Government. Further, all business establishments and sari-sari stores shall close at 8:00 P.M.

DPWH turns over to DENR logs, wood materials from trees cut by road project

MAASIN CITY – The Department of Public Works and Highways (DPWH) in Southern Leyte recently turned over to the Department of Environment and Natural resources (DENR) for proper disposition the logs and other wood materials from the trees cut due to the road construction project in the province.

The logs turned over were from the trees cut for the road concreting project leading to Fatima Hills, a tourist destination, located in Barangay Ichon in Macrohon town.

The activity was witnessed by some DENR and DPWH personnel, project contractor and representatives from the local government unit of Macrohon.

“We were granted permit by the DENR to cut

trees intended for our infrastructure projects provided that we strictly adhere to the conditions imposed and undertake measures during and after cutting operations in order to mitigate the possible impacts of the cutting of trees to the locality and the environment,” said District Engineer Ma. Margarita Junia.

It was learned that a memorandum of agreement has been entered into between DPWH and the Department of Environment and Natural Resources (DENR) regarding mechanisms on the replacement of felled trees.

As agreed with the DENR, the DPWH is bound to replace 50 trees

for each felled tree planted in private or forest land and 100 trees for each naturally grown tree affected by road works.

“Every time we implement projects, we always consider the environmental impacts. We cannot immediately proceed with the construction without properly addressing them,” Junia said.

Junia vowed to continue the DPWH’s active involvement in different activities of DENR such as tree planting and clean-up drive. **(PR)**

IT PAYS TO ADVERTISE

Special...

...from Page 5

for the spread of the video. The statement of apology did not set well with netizens who lambasted his action of disrespecting the national anthem and flag. Some people brought to public attention the heraldic code of the country that sets the standards in giving honor and respect to the national anthem. There is a penal provision that imposes both fine and imprisonment.

Both display of violations by the national saliva and the representative had been given justifications to evade sanctions. But no one is taking the cudgels to bring the violators before the office of state prosecution and the courts. It would pass as another display of arrogance not different from the one committed by the senator who broke quarantine rules and went away unpunished. There too was the police official who broke quarantine to celebrate his birthday in a special manner. Indeed, these are the kind of government officials who are special species.

BFAR to intensify sea patrols in illegal fishing ‘hot spots’

TACLOBAN CITY – The Bureau of Fisheries and Aquatic Resources (BFAR) will deploy new patrol boats in five “hot spots” areas in Eastern Visayas to boost its fight against illegal fishing.

These five fiber-reinforced plastic patrol boats are intended for BFAR substations in Guiuan, Eastern Samar; Victoria, Northern Samar; Catbalogan City; some parts of Samar within the Leyte Gulf; and Matalom, Leyte.

BFAR Regional Director Juan Albaladejo said on Thursday these areas are considered “hot spots” due to incidents of unreported and unregulated fishing (IUUF) that led to declining fish catch.

“We already deployed patrol boats in these areas in 2014, but we need more to serve as blocking force. We have to intensify our presence in these areas to advance the well-being of our small fishermen,” Albaladejo told the Philippine News Agency (PNA).

The fisheries bureau is optimistic that the intensified sea patrol will contribute to improved fish catch in the future.

In Leyte Gulf alone, the current monthly production is only around 1.8 metric tons

per square kilometer, way below the ideal five to 10 metric tons.

Each 30-footer boat costs P1.1 million. The boat has 115 horsepower outboard engine with a speed of 28 knots per hour. It is designed to chase illegal fishers.

These are the first five boats built by BFAR in its fiberglass making facility in Barangay Diit in this city.

These boats, funded by Fisheries Coastal Resources and Livelihood (FishCORAL) project, will be deployed within the month, Albaladejo added.

The United Nations-funded FishCORAL project turned over the patrol boats on Wednesday in Carigara, Leyte in line with BFAR’s 73rd-anniversary celebration anchored on the theme “Improved Service Quality and Strong Partnerships Towards Fish Sufficiency.”

FishCORAL aims to reduce poverty in the target coastal communities of the target bays/ecosystems.

It seeks to realize this goal specifically through the adoption of sustainable management of the fishery and coastal resources in fishing communities that will help increase overall stocks and fish catch. (PNA)

ORMOC CITY- District Engineer Lino Francisco C. Gonzalez, ADE Irwin L. Antonio, Section Chiefs and RAFEA President bestowed Plaque & Certificate of Appreciation to Two (2) DPWH retiring employees, Engr. Manuel C. Nerja, Jr. and Ms. Rosalina S. Beato for their dedicated service to the public during an honorable career of 23 years and 37 years respectively. Engr. Nerja was assigned in the Quality Assurance Section of the district office as a Materials Engineer. Ms. Beato on the other hand was assigned in the Planning and Design Section responsible for the RROW matters.

NNC-8 calls on stakeholders to scale-up nutrition actions vs. stunting

TACLOBAN CITY- As the nation celebrates the 46th National Nutrition Month this July, the government through the National Nutrition Council (NNC) leads the month-long celebration highlighting the theme “Batang Pinoy, SANA TALL...Iwas Stunting, SAMA ALL! Iwas ALL din sa COVID-19!”

In Eastern Visayas, the celebration kicks-off on Wednesday with a motorcade as part of promoting awareness among Filipino families the importance of proper nutrition and to generate commitment from various stakeholders to scale-up nutrition actions in the midst of the pandemic.

In a mini presscon held on Wednesday at the Ritz Tower de Leyte, NNC Regional Nutrition Program Coordinator Dr. Catalino Dotollo called on all stakeholders for a collective effort in order to address the high prevalence of stunting among children in

the region.

“With this celebration, let us all help in our fight to prevent stunting especially among Eastern Visayan children since stunting is indeed a problem in our region and even globally,” Dotollo said.

Dotollo said it is likely that COVID-19 pandemic will have an impact on nutrition since the health system is focused on responding to health emergency which may affect the delivery of nutrition and related services and reduced people’s access to food.

Dotollo urged all stakeholders particularly the local government units (LGUs) to carry out the nutrition programs in their localities and give preferential attention to the first 1000 days on the life of a person which refers to the time of pregnancy until the first 2 years of the child so that the existing stunting problem will not become worse.

Actions of the National Nutrition Council are always geared into sustaining the campaign even beyond July 31, Dotollo said.

This include exerting all efforts to reduce stunting through the formulation of the Philippine Plan of Action for Nutrition (PPAN) 2017-2020 which will serve as the overall framework to address malnutrition including stunting and its underlying factors.

Among provinces in Region 8, Samar has the most number of stunted children, Dotollo said.

Over 100 Cafgu members to be deployed in 3 Samar towns

TACLOBAN CITY – Over 120 men will be enlisted as members of the Citizen Armed Force Geographical Unit (Cafgu) who will be assigned in different parts of Samar province which were cleared from the influence of the New People's Army(NPA).

This was disclosed by Major General Pio Diñoso, the commanding general of the 8th Infantry Division whose headquarter is based in Catbalogan City.

The qualified recruits are set to have their rigid training with the provincial government providing the funding of their training, he added.

“We are in charge in the recruitment, background investigation, training and where to deploy them while funding for their allowance will come from the province,” Diñoso said.

At least 120 men from Samar were selected to be part of the Cafgu Active Auxiliary Unit II Company (CAAC-II) and they will be deployed in the towns of Basey, Pinabacdao and Calbiga.

These three towns were earlier tagged by the military where there were strong presence of NPA rebels but

MAJOR GENERAL PIO DIÑOSO

are now cleared.

The presence of these Cafgu recruits to these areas will allow the community to be involved actively in the protection of their locality.

“We need the presence of CAAC as our integrated territorial system after a place which formerly under influenced of communist group is declared peaceful and insurgency free,” Diñoso said.

“They will serve as our territorial defense protection like in Samar province where many rebels and their supporters had already surrender to the government. We want the communities in that area to put up their own defense system through CAAC,” he

added.

Eastern Visayas region needs at least 20 companies of Cafgu.

For his part, Samar Governor Reynolds Michael Tan said that the newly- recruited Cafgu members will help further in ensuring that the province will remain peaceful and orderly.

“With their presence, we can be assured

that the areas that were cleared by our military troops will remain peaceful,” Gov. Tan said.

The provincial government had allocated P10 million initial funding for the program implementation this year and will increase it to P13 million next year, the governor said. (ROEL T. AMAZONA)
