# 22 cop trainees tested positive

JOEY A. GABIETA

**TACLOBAN CITY**-At least 22 police trainees at the Regional Police Training Center, based this city, were quarantined after they were tested positive of the coronavirus disease (COVID-19).

The trainees were part of the 241 newly-recruit police of the regional Philippine National Police (PNP) said S/Sgt. Lalaine Rosales, the information officer of the training center located in San Jose district.

According to Rosales, the 22 police trainees are now isolated in a facility identified by the PNP regional headquarters and all are asymptomatic.

Aside from the police trainees, two personnel and one mess hall server of the training facility also tested positive of the

dreaded virus.

Rosales said that last October 30, the 241 police trainees were turned over to their facility by the PNP-8 headquarters for further police training.

But five of them showed some symptoms like colds and sore throats. They were swabbed on November 13 with four of them tested positive.

Their 40 close contacts, also police trainees, were also swabbed on Nov. 19 of which 19 of them tested positive, to include the mess

**DONATIONS.** Tacloban City Mayor Alfred Romualdez accepted the donation of the Philippine Chamber of Commerce and Industry, Tacloban-Leyte Inc. as represented by Cathy Bonavitacola of 521 pieces of personal protective equipment (PPEs), 300 vests, 500 face shields, 50 boxes of facemask, and 12 gallons of alcohol to aid in the city's response against the coronavirus disease. The occasion took place last Nov. 25 at the City Hall grounds. (TACLOBAN CITY INFORMATION OFFICE)

## 180 families from San Jose district soon to transfer at the northern resettlement site

**TACLOBAN CITY**-About 180 families coming from Barangay 88 San Jose may now move to their new homes, in Aeroville Subdivision, soon as the selection on who will occupy in what unit number was made through a raffle ceremony on Thursday afternoon (November 26).

The raffle draw, held at City Engineer's Office (CEO) Gym, was spearheaded by the City Housing and Community Development Office (CHCDO) in coordination with the National Housing Authority

About 180 families from Barangay 88 in San Jose district, Tacloban City will soon transfer to their permanent housing units after the city government conducted a raffle draw among these families last Thursday (Nov. 26). Among those present was Councilor Aimee Delgado Grafil, committee chair on social service and housing.

## Uniformed personnel, agriculture students to receive farm lands from government, says DAR Sec. Castriciones

**A L A N G A L A N G**, Leyte- Soon, agriculture graduates and uniformed personnel will have their own lands to till.

This was disclosed by Agrarian Reform Secretary John Castriciones during his visit to this town Thursday (Nov. 26) as he led in the distribution of certificate of land ownerships (Cloas).

Castriciones said that giving lands to agriculture graduates will help increase the number of young people who will take agriculture courses and this could encourage parents for their children

to farming-related course. "Kaya nga marami rin ang nag-aral ng agriculture, pero dahil sa pagka-graduate nila yung kanilang natutunan hindi nila

# Leyte SP approves province-wide bike lane ordinance

TACLOBAN CITY - The members of the Sangguniang Panlalawigan(SP) of Leyte approved on the third and final reading the proposed Leyte Bike Lane Ordinance of 2020 during their regular session last November 20.

The ordinance was approved two days before the celebration of the National Bike Day which is observed every fourth Sunday of November as approved by President Rodrigo Duterte through Presidential Proclamation 1052 which he signed on November 18.

“Basically this reinforces the mandate that we impose through our Environmental Code ordering local government units to come up with a different networks of bicycle lanes in their respective municipalities,” Vice Governor Carlo Loreto said.

“In this ordinance it does not only requires them to put up bike lanes but also activity areas which can be used under the new normal like areas for jogging or walking provided that they still follow the minimum health protocols such as wearing of face masks to prevent virus transmission,” he added.

Under the ordinance, authored by the vice governor, the province through the Active Mobility Committee which is chaired by Governor Leopoldo Dominico Petilla with Loreto as his vice chair, shall review all roads within its jurisdiction and determine sections that may be developed into a continuous bike lane network.

The committee also includes the provincial legal officer as secretary and members are representative from the provincial engineering office, planning and development office, budget office, disaster risk reduction and management office, health office, SP chairman on committee on infrastructure, representative from local cycling group, persons with disability, women’s group, senior citizens, and the Department of Public Works and Highways (DPWH).

The committee is also mandated to adopt traffic engineering solutions that will prioritize, complement, and support safe and efficient biking and walking.

The measure mandates that all bike lane designs and sidewalks must comply with the design standard by the Department of Transportation and the DPWH and must also take into account for the safety, social distancing measures, operating speed, volume and composition of traffic and the carriageway width of the road.

Signages that indicate bike lane and motor vehicle lane are also need to be installed including speed limits, and other traffic rules to ensure safety of all road users.

The traffic management office of the city and the municipality is also task to maintain the bicycle lane network from use of motorized transport vehicles, and illegal road obstruction such as illegal parked cars.

The ordinance also mandates that every bikers or cyclists must use personal protective gear for their safety such as helmets, closed shoes, head gear, bicycle lights or reflectors, while minor or those below age 18 years old are required to use additional appropriate protective gear as determined by the committee.

The municipality or city under Leyte province will have to adapt the ordinance and include a penalty provisions to be impose against violators.

# 117 Cafgu members detail in Borongan City; deployment aims to help city against NPAs incursion

TACLOBAN CITY - After more than a month of intensive training, the 117 candidate Special Cafgu Active Auxiliary (SCAA) from Borongan City had finally finished their basic military training on November 23.

Citizen Armed Force Geographical Forces (Cafgu) Active Auxiliary (CAA) is a paramilitary unit composed of volunteer reservists organized into companies of personnel that are led by regular troops.

The 45 days of intensive training aims to develop their stamina, attitude, and skills required prior to their dispatch in the different communities in Borongan City

Present during the graduation ceremony were Mayor Jose Ivan Dayan Agda as the guest of honor and speaker; Brigadier General Camilo Ligayo, commanding officer of the 801st Infantry Brigade; and Lieutenant Colonel Oliver Alvior, commanding officer of the 78th Infantry Battalion.

About 100 of the trainees were from Borongan City while the rest were from other parts of Eastern Samar.

Mayor Agda, in his message, said that the establishment of Cafgu in the city is essential for the attainment and in the maintaining of peace and development of the city.

“It gives confidence to the LGU and the people of Borongan City to uplift its constituents’ lives,” Agda said.

The mayor also extends the city’s gratitude to the Philippine Army for ensuring the completion of the CAA-II Basic Military Training, which he agreed on the new CAAs will serve as an added safeguard for the Boronganons against the NPA atrocities.

The city government will provide each Cafgu P6,500 monthly allowance during their deployment in

# FRECOR 8 ECs donate to Albay

TACLOBAN CITY- All 11 member-ECs (DORELCO, LEYECO II, LEYECO III, LEYECO IV, LEYECO V, BILECO, SOLECO, SAMELCO I, SAMELCO II, ESAMELCO & NOR-SAMELCO) of the Federation of Rural Electric Cooperatives in Region 8 (FRECOR 8) were able to donate used clothing and basic commodities coming from their generous member-consumer-owners and employees.

Bundles of used clothing and basic goods coming from all corners of the region are currently being hauled onto a boom truck at Samelco 2 who willingly accepted the task of delivering the donations to Albay today for the victims of Typhoons Quinta and Rolly.

The call for donations was initiated by PHILAIM 8 and LEXICON 8 during their meeting last November 5, 2020 to help the people of Bicol Region particularly Albay where 13 teams of PRRD-Task Force Kapatid from Region 8 were previously deployed to hasten the power restoration activities and help restore power in the affected areas the soonest possible time.

The teams will be extending their stay until November 30th as the province was once again badly hit during the onslaught of Typhoon Ulysses recently.

**Oras town exec raise concern over incident involving a patient who died due to COVID-19 complication**

TACLOBAN CITY- The mayor of Oras town in Eastern Samar raised her concern over an incident involving a man who died reportedly due to complications related to coronavirus disease (COVID-19).

Mayor Viviane Alvarez said that the local government unit as well as the Provincial Health Office (PHO) were not informed by the regional office of the Department of Health (DOH) that the man died due to the dreaded virus.

She said that the positive swab result of the patient was released on Nov. 23 while his family and relatives were holding a wake at their residence.

This incident has put in danger the health of those who attended the wake, the town mayor said.

The patient died on Nov.21 due to COVID-19 complications while he was confined at the Eastern Visayas Regional Medical Center (EVRMC), this city.

“Sadly, there was no proper coordination and information to the PHO nor to the rural health unit nor to the family on the handling of the cadaver,” Alvarez said on her Facebook account.

The man is the first COVID-19 related death of the town which has posted 50 cases due to the dreaded virus.

It was learned that the man was first brought at the Maulong Hospital in Catbalogan City last Oct.14 as he was suffering from ulcer.

Five days later or on Oct.19, he was transferred to EVRMC in Magsaysay Boulevard, this city. A swab test on him yielded a negative result.

On Oct.22, he was transferred at the new EVRMC located in Brgy. Bagacay where he died due to respiratory problem last Nov. 21.

His remains were returned to his hometown on Nov.23 where his family held a wake. It is during this time that his swab result was released by the DOH.

Alvarez said that their task force immediately conducted contact tracing to the primary contacts as she disclosed that she urged the second and third generations contact to undergo isolation.

The town mayor said that she ordered that lockdown be put into effect in the villages of Paypayon, San Roque, Balocawe and Aksam until the contact tracing is over.

“Please stay home, follow health protocols and cooperate. We need the help of everyone in this trying time,” Alvarez said. (LIZBETH ANN A. ABELLA)

**Continuous improvement of Riverdrive Project to ease flooding, traffic woes in Las Piñas**

*[From the present 24 kms, five km more to be constructed next year]*

Senator Cynthia Villar, the proponent of the Las Piñas Zapote River Drive project, is confident that its completion is preventing flooding and solving the traffic problem in Las Piñas City.

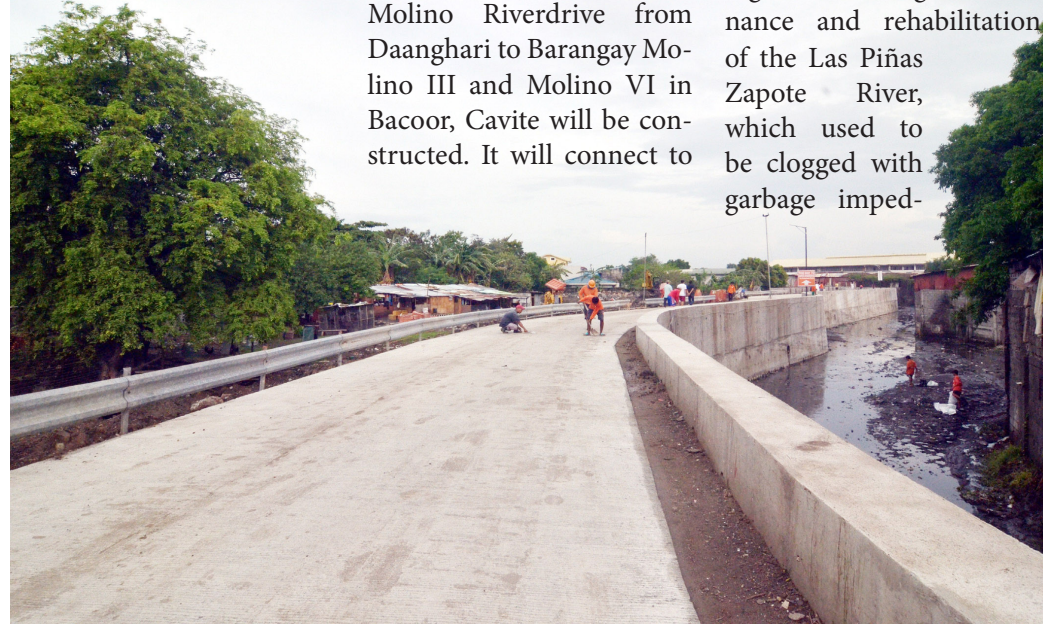

So far, 24 kilometers have been completed for the last 9 years starting in 2012 until 2020 and five (5) kms more is slated to be built in the next two years (2021 & 2022).

“The project is being completed in phases and we have seen the improvements so far in terms of flood prevention and traffic flow in the river drive areas. So, we will continue to extend the coverage of the project to 29 kilometers in next two years,” (2021-2022) said Villar.

For next two years (2021-2022), the Molino Riverdrive phase will be built, stretching a total of 5kms, from Daanghari road to the river along Barangay Molino III & Molino VI until it connects to Zapote River.

The very first phase of the Riverdrive Project was the 18-km Zapote Riverdrive along Zapote River aimed at preventing flood-

ing in the city and solve the traffic congestion along Zapote-Alabang Road because it serves as alternate road.

The Riverdrive Project started at the end of C-5 Extension Road in Barangay Pulanglupa I to Alido Bridge and continuing to an underpass in Zapote Bridge in Barangay Zapote on to Barangays Pamplo-na I, Pamplona II, Talon II, Moonwalk, Talon I, Almanza II then to Daang Hari Road connected to the MCX Expressway.

The second phase was the 6-km Las Piñas Riverdrive which started at C-5 Extension Road in Baran-

gay Pulanglupa I then to Barangay Pulanglupa II, Pamplona III up to CAA Road.

In 2021-2022, the 5-km Molino Riverdrive from Daanghari to Barangay Molino III and Molino VI in Bacoar, Cavite will be constructed. It will connect to

is a road and the houses are fenced,” Villar cited.

Villar has spent decades since 2001 ensuring the cleaning, maintenance and rehabilitation of the Las Piñas Zapote River, which used to be clogged with garbage imped-

Zapote Riverdrive to Manila Bay area.

The Zapote and Las Piñas Riverdrive as well as the Molino Riverdrive, according to Villar, do not only ease flooding and traffic woes.

“With the river drive, we also closely maintain the cleanliness of the river, which can be considered as the ‘artery’ of the city and nearby areas too. The people living along the river cannot throw their wastes anymore into the rivers because there

ing the flow of water that cause massive flooding. She put up livelihood projects that now use wastes such as water hyacinths, waste coconut husks and plastic wastes (that used to pollute the river) as raw materials.

Her Sagip-Ilog project won for her the United Nations “Best Practices Award” in 2011, which recognized the project for protecting water resources and providing livelihood to Filipinos. (PR)

**Leyte program and assistance helps indigenous people**

TACLOBAN CITY - The program and assistance of the province of Leyte extended to the members of the indigenous peoples (IPs) living in the hinterland town of Burauen and its nearby areas have transformed them from into wild hunters to modern farmers amid the coronavirus (COVID-19) pandemic, a report from the governor's office said.

Leyte Governor Leopoldo Dominico Petilla told reporters in an interview that the IPs in Burauen town and its nearby areas, mostly the members of the Mamanwa tribes, are now practicing modern farming.

Petilla reported that the IPs are presently producing the agricultural products needed by the communities, to include those of nearby towns to include Tacloban City

LEYTE GOVERNOR LEOPOLDO DOMINICO PETILLA

which they produce from their farms during these trying times of COVID-19 pandemic.

The agricultural products produced by the IPs include high-value crops and vegetables such as onions, asparagus, radish, cauliflowers, strawberries, lettuce, broccoli, carrots, among others.

Petilla explained that part of his program is to help the members of the IPs in the province.

He added that his office had extended assistance to

the IPs last 2018. They were trained in modern farming in coordination with the Technical Education and Skills Development Authority (TESDA) and other government agencies.

Petilla said that aside

from the training on modern agricultural production, his office extended financial support for the organizing and registration of the IPs at the regional office of the Department of Labor and Employment for them to have the legal personality and be able to transact business with any government or private entity

He added that his office also extended support and provision of farm implements, agricultural tools and agricultural inputs such as fertilizers and vegetable seeds to the members of the tribe. (RESTITUTO A. CAYUBIT)

**Cops nab 2 men accused of rape, acts of lasciviousness**

TACLOBAN CITY-Police arrested two men who were accused of rape and acts of lasciviousness in separate operations in Samar and Northern Samar provinces on Monday (November 16).

In Basey, Samar, police arrested Jhosvil Salogaol, tagged as rank 12 most wanted person-municipal level.

No bail bond was recommended to Salogaol, who is facing a rape case by virtue of a warrant dated May 23, 2019.

The operatives were from Basey Municipal Police Station led by Major Michael Oraller, Samar CIDG led by Major Glen Aculana, and Tacloban City Maritime Police Station led by Major Sabino Araneta Jr.

Police also arrested Richard Tabulod, a resident of San Antonio, Northern Samar.

The accused has a warrant dated November 5,

2020, for the crime of acts of lasciviousness in relation to Republic Act 7610, otherwise known as “Special Protection of Children Against Child Abuse, Exploitation, and Discrimination Act.”

A bail of P200,000 was recommended to the accused, police said in the report.

The arrest was conducted by personnel from San Antonio Municipal Police Station led by Lieutenant Norben Carbonera.

The accused persons were brought to their respective police stations for documentation prior to turn-over to the courts of origin. (RONALD O. REYES)

Senate inquiry on red-tagging

**T**he series of senate hearings on the issue of red-tagging has been an effective tool to clarify matters that most of our countrymen do not fully understand. It is also an opportunity for those coming from all sectors involved to express their stand on the issue, especially for the accused, the Makabayan bloc representatives in congress who deserve to clear their names.

This issue on red-tagging linking the Makabayan bloc and their legal fronts/organizations to the CPP-NPA-NDF stemmed partly from the anguish of protesting parents who lost their sons and daughters to what they call ‘deceptive recruitment’ in school campuses. Carried out rampantly by these organizations such as the LFS, Bayan Muna, Anakbayan, ACT, Gabriela, etc. as alleged by the military, this massive recruitment in schools and other sectors of society is being denied by their party leaders in congress. But the testimonies of former NPA leaders who surrendered to the folds of the law are linking them all the more to the CPP-NPA.

While the Makabayan bloc and their fronts cry foul against red-tagging, the military and the former NPA cadres confirm this concept was created by the leftists themselves. Accordingly, these ‘links and connections’ need not come from AFP accusations; they surface from

their own ranks. In short, they are red-tagging themselves. A video footage shown in the first hearing had Jose Maria Sison, the founding head of the CPP, proudly mentioning these organizations and partylists headed by the Makabayan bloc representatives as part of the CPP’s organizational structure.

Aside from their overall leader’s linking them to the CPP, some other things are “red-tagging” them based on that senate inquiry: their fiery speeches during militant rallies urging the masses to take part in the revolutionary struggle; their confiscated or surrendered photos with noted NPA commanders/rebels; a provision from the CPP’s constitution that only bona fide members of the CPP can head their partylists and organizations; their groups’ instrumentality in the recruitment and educational training of future rebels; the communist flags that they are brandishing openly during mass actions; and most notable of all, their refusal to denounce and condemn what the government considers as atrocities and terroristic acts of the NPA’s.

Indeed, the discussions in that senate hearing are very crucial and important for our people to know. It should have been disseminated far and wide. So sad the mainstream print and television media didn’t cover it, for dubious reasons, as they do with less important issues. The people deserve to know everything that determines their future as a nation.

Online resort

In a way, the massive job losses and retrenchments suffered by many workers in different private companies since the start of this ongoing pandemic were addressed by online money-making schemes, thanks to the continued advancements in communication

and computer technology.

In fact, to those who cannot resort to this mode of earning money for reasons such as ignorance to manipulate gadgets, too much poverty, or inability to own needed gadgets and internet signals have suffered a lot since they could

not proceed with their normal ways of earning a living due to quarantines and lockdowns.

Too many people whose work was disrupted immediately resorted to online jobs and businesses. Many of them suddenly became entrepreneurs, or teachers, writers, etc., with the help of gadgets and the internet. Some had started a delivery business, which worked well for those who had vehicles like motorcycles, automobiles, and even bicycles.

And many customers and clients had learned to avail of this delivery schemes rather than risk themselves outside, buying groceries and market products. At least, with the de-

livery services, they get exposed only to one person, and that’s the person delivering the goods. Terms and conditions were mostly based on trust, mostly oral. It could be cash-on-delivery or other arrangements. Somehow, this is advantageous to both.

Work-from-home became rather popular with the advent of this pandemic. The educated and those who know special skills resorted to online tutorials and teaching. The massive demand for English teachers in countries like China, Japan, Korea, and some others had afforded many of countrymen a certain source of income. Even

Commentary

FR. ROY CIMAGALA

Our ultimate identification with Christ

SINCE we have been created in the image and likeness of God, we have to remember that as much as possible, we should identify ourselves with Christ who as the Son of God is the perfect image God has of his own self and thus the pattern of our humanity, and as the Son of God who became man due to our sin, he is the redeemer of our humanity that is wounded, weakened or damaged by our sin.

It's a truth of faith that we should be most aware of in an abiding way to which we should try our best to do our part in conforming ourselves to that pattern. That's because as intelligent and free beings, our identification with the pattern of our humanity and the redeemer of our damaged humanity is not something automatic. It requires our knowing and willing correspondence.

That's when we can say of ourselves that we would be truly loving, capturing the very essence of God who is love. As St. John said in his letter, "Deus caritas est. God is love." (cfr. 1 Jn 4,7-8) Our correspondence to God's love by following his will is what would comprise our love, since love is repaid with love.

While it's true that we cannot help but love in different ways, shapes and forms, we can also say that we are already identifying ourselves with Christ in some degree. Everytime we express love for some people and things, we are already identifying ourselves with Christ.

We should just make sure that our love is the love that truly comes from God as shown, lived and commanded to us by Christ himself. And how did Christ love us and continues to do so? Ulti-

mately by offering his life on the cross.

And not contented with that, he perpetuates this life-offering of his by making it a sacrament, such that everytime that sacrament, the Holy Eucharist, is celebrated, that ultimate expression of love is actualized and made available to us.

We have to realize then that our ultimate identification with Christ takes place when we participate as actively as possible in the life-offering of Christ on the cross through the many trials, challenges, difficulties, etc. that we can encounter in our earthly life.

We have to prepare

ourselves and organize our life in such a way that we can say that we are following this paradigm given to us by Christ. Our identification with Christ gets tighter and more intimate to the extent that we are willing and are actually offering our life to God through our love, dedication, service, help and a long etcetera that we can give to the others.

Thus, we should be looking for opportunities to serve and make sacrifices for the others. We have to overcome the thinking that if we are lucky in this life, we would be freed from suffering and sacrifices. If we truly want to identify ourselves with Christ, we would look for opportunities to suffer, make sacrifices and even die for the others.

That may sound crazy if looked upon only from the point of view of our human reasoning and estimation. But if viewed with faith and lived with the grace of God, such prospect would, in fact, look most attractive to us, since that's where we are one with Christ in the best way.

Move those molecules

*"The reason I exercise is for the quality of life I enjoy."*

As a college student in the then Leyte State College (Now Leyte Normal University) this writer was enrolled in the Bachelor of Secondary Education -Natural Science. The program has The Busy Molecules (TBM) as its staple and only club. The said club as one can infer conducts multiple activities like Field Trips, Tree Planting, Composting and Outreach (we now know as Extension Activities). The name stuck because we the members and officers of the club wants to project that Kinetic Molecular Theory that molecules move constantly and that we are also busy bees.

And thus the club was known then as originators of activities. The key word here is Active.

This time around the same key word also rings true we must be Active. By that we mean we the people subjected to this Pandemic must also be active. The coronavirus pandemic is no excuse for not getting enough exercise, the World Health Organization said Wednesday, warning that even before the crisis many were getting too little physical activity. What? Congressista - Dra. Janette Loreto-Garin & others to be arrested? An'yare?

As published in the Manila Times 21 November 2020, the Regional Trial Court Judge in Quezon City has ordered the arrest of former Health Secretary, now Iloilo Representative Janette Loreto-Garin and three (3) executives of the French Sanofi Pasteur, Inc. in Paris, France, and others in connection with the Dengvaxia-related deaths of two school children.

Judge Jose Bautista, Jr. of the Regional Trial Court Branch 107 declared that there is probable cause to issue Warrants of Arrest against Garin, as well as Stanislas Camart, Jean Lous Grumwald and Jean Francois Vacherand; all executives of Sanofi Pasteur, Inc., the manufacturer of the dengue vaccine Dengvaxia in Paris, France.

The four are charged at the Quezon City RTC

Branch 107 with reckless imprudence resulting in homicide for the deaths of Marc-Axl Ebona and Zandro Colite.

Bautista ordered their arrest last Wednesday, 18 NOV 2020, after they failed to post bail.

IN THE NEWS - 22 November 2020

However, this Columnist read the following Article in the front page of The Sunday Times, dated 22 November 2020, headlined - GARIN; WHAT ARREST WARRANT?

So, we're quoting here-under the portions relevant to the above Warrant of Arrest ---

"Garin was reacting to the recent Omnibus Order, released by Judge Jose Bautista, Jr. of the Quezon City Regional Trial Court Branch 107 on November 18.

"The court order stated it "finds; calling that

agency's head of health promotion Reedier Kerch told reporters. "If we do not remain active, we run the risk of creating another pandemic of ill-health as a result of sedentary behavior.". This article comes out of inquirer.net, and rightfully so, we must have activities that promotes bodily movement. We must not embrace the supine and deadly sedentary mode.

Managers and administrators can instruct their people to move and dance wherever they are. Social media can monitor their progress by way of recording or live feed and rewards and incentives can be a carrot to be dangled. Having wellness and motivated muscular activity can be a positive thing, where the human resource will be more functional, less irritable and healthier by doing so. Pandemic or not we must

adhere to the Kinetic Molecular Theory, by the very nature of the molecules that comprises our bodies, its meant to move, to be active and health wise we got to move it or we perish without it. Good health entails activity. Man moves to survives because we are actually designed to be that way. So let's move!

probable cause exists to issue a warrant of arrest against all accused" in the case of reckless imprudence resulting in homicide for the deaths of Marc-Axl Ebona and Zandro Colite.

"Garin said the court was only seeking clarification and proof if bail bonds had been filed.

"Bail bonds have been posted early last year. Cases (were) dismissed late last year with only Imus Cavite (case) left.

"The Quezon City Regional Trial Court can't find Muntinlupa hence the clarification," Garin told The Manila Times.

"The court document also noted that the bail bonds posted before in Muntinlupa City, Imus, Cavite and other courts are already considered filed before the Quezon City court.

"If the court missed my records, I will furnish them a copy of my document," Garin said in a separate statement.

"Ebona's family had filed the case before the Muntinlupa court, while Colite's family filed in Imus, Cavite, but both are now under the jurisdiction of the Quezon City Regional Trial Courts.

"Garin clarified that 'no warrant of arrest has been issued.'

"Congressista-Dra Janette Loreto Garin is the sister of Leyte Vice-Governor Carlo Petilla Loreto and the 1st cousin of Leyte Governor Dominico "Mek" Loreto-Petilla.

Wow, with the above-named personalities, will there be "bigger explosions" forthcoming in connection with the above-mentioned cases?

Many believe so! So, Abangan ang Susunod na Kabanata!

# Pa put house in fire: 2 kids die, one injured

TACLOBAN CITY—Two minors died after their father reportedly burned their house in Catarman town, Northern Samar Friday early morning.

The victims, aged 16 and 11 and both boys, died after they were trapped inside their burning house located in Barangay Dalakit in the said town at around 4:30 am.

A 13-year old cousin of the two minors who was also with them managed to get out from the blazing house but sustained injuries, town police chief, Captain Russel Calubag said in a phone interview.

Based on their initial information, the suspect, Fernando Ford Frigillana, 39, used a gasoline he took from a park vehicle in burning their house made of light materials.

The three victims who were sleeping at that time were trapped inside their house as the blaze turned so fast.

The two brothers were not able to escape inside their house which resulted

to their death while their cousin managed to run out but sustained minor injuries, Calubag said.

“The incident is still under investigation so I cannot give more information regarding the incident. But the suspect is now under our custody and we have him drug tested while the two minors who died are still with our crime laboratory for autopsy. The 13-year old is now in a hospital,” the town police chief said. **(JOEY A. GABIETA)**

# Local community radio conquers the airwaves in San Miguel

VERNON M. BARRAZA, JR.

A non-profit local community radio is now operating in San Miguel, Leyte keeping its constituents abreast of latest developments the local government unit is undertaking to address especially concerns related to the COVID-19 pandemic.

Mayor Norman Sabdao, however, hinted that he personally pursued the establishment of the local community radio to aid in the delivery of basic education to the elementary and secondary students in San Miguel town.

“This project primarily aims to help our students in this pandemic. It was Sir Vernon Barraza, the principal of San Miguel National High School who requested that we establish a school-on-air to supplement the modules being distributed to students so that students will be properly assisted and guided in their learning activities,” Sabdao said.

Hence, the Project Learning Modality-On-Air in the New Normal or “Project Learning MAN” was launched in the municipality even before classes were formally opened last October 5.

The town mayor disclosed that this idea was presented to him last June 2020 and he immediately acted on it being a radio aficionado himself.

“It just happened that radio is close to my heart. I’ve always wanted to be a radio announcer or a mass com graduate ever since. I did apply in radio stations in Tacloban before just to get the feel of becoming a radio announcer that I even bought a block time in one of the stations there before. This is how close to my heart radio is,” explained.

Because of limited time between the conceptualization of the project and the need for it to operate or become functional, Sabdao said he was forced to tap friends and other acquaintances to help him immediately establish the station to meet the

need of students in the town whose opening of classes started last October 5.

“I asked my friends to help me put this up in time of the need our students. If I would insist that this be funded by the LGU, the bidding and other procurement processes would just consume all the time and possibly not be able to operate even until the end of this year. Likewise, because of regulations in place due to pandemic, my friends recommended that this station be placed in a readily available area, thus, its location near my house which I also own,” he said.

The radio station is named HOPE FM at 88.9 frequency. This is for easy access among constituents of San Miguel especially elementary and high school students.

“It was intentionally named such because we would like to bring hope to every home in San Miguel amid the pandemic,” Sabdao emphasized.

The local chief executive added that the station is open anytime of the day especially about delivery of lessons by DepEd for elementary and secondary students in the town.

“I have high respect and always feel indebted to our Alma Mater, the elementary and secondary school in San Miguel. So, this is my own little way of paying forward the learning and education I got from my teachers before in my Alma Mater- the San Miguel Central School and San Miguel Na-

tional High School(SMNHS),” Sabdao pointed out.

Sabdao said this non-profit radio station that is mainly dedicated to community service has now reached over 6,000 followers which is already a good indication of becoming a good service provider to the people of San Miguel.

“This would already help also the local government unit whenever we have important announcements that we would like to bring to our constitu-

# DPWH Leyte 2 completes rainwater collection system project

CARIGARA, Leyte – At least 12 recipient schools in the second district of Leyte benefited the Rainwater Collection System (RWCS) project implemented by the Department of Public Works and Highways (DPWH) – Leyte Second District Engineering District Office.

According to OIC-District Engineer Leo Edward Oppura, the department allocates a total of P4.34 million worth for the installation of 15 units of RCWS in different schools that do not have adequate access to water and sanitation facilities.

“Rainwater are collected and stored in a 4,000-liter capacity tank for sanitation and other adequate purposes to augment the continuous need for water supply,” he added.

Two units each were installed in Sta. Rosa NHS,

Barugo, Leyte; Pinamopohan NHS, Capoocan, Leyte; and Granja Kalinawan High School in Jaro.

Meanwhile, 1-unit each were also installed in Hibucawan Elementary School, Hiagsam Elementary School, Jaro Central School and Olotan Elementary School, Jaro, Leyte; Barugo Central 1, Barugo Central 2, Barugo NHS, Minuhang Elementary School and Minuhang NHS, Barugo, Leyte.

The RWCS includes

structure excavation, concrete works, reinforcing steel, roof drains with strainers, installation of stainless-steel water tank approximately 4,000 liters with plumbing accessories.

This project is in compliance to Republic Act 6716, otherwise known as “an act providing for the construction of water wells, rainwater collectors, development of springs and rehabilitation of existing water wells in several barangays.” **(PIO)**

ents especially those located in far-flung barangays,” Sabdao said.

He added that the frequency of the station can be reached even through a cellphone or a transistor radio so that almost everybody can easily monitor the station’s programs.

As part of preparatory activities, the SMNHS has already hosted a 3-day District Level In-Service Training (INSET) relative to this undertaking as some teachers of the school would become broadcasters and writers of lessons to be delivered on air for the town’s constituents.

The activity was participated in by all faculty members of the host school and selected teachers from the other secondary and elementary schools in San Miguel District.

non-English majors could qualify to teach provided they are good at writing and speaking.

One concern, though, is that those who engage in online teaching must possess the necessary gadgets like laptop, fast internet signal, and a quiet environment—things that are rather costly and are beyond our control. If you happen to live in neighborhoods where people are fond of having boisterous drinking spree, videoke singing spree, or have dogs that keep on barking endlessly, have water pumps that

sound like an airplane, and many more, your teaching will be disrupted even with your noise-canceling microphone.

Whatever it is that we resorted to doing in this pandemic, we should be grateful for it because it has enabled us to at least earn something. It’s good than having none at all. In fact, it is likely that, to some people who succeeded in online services, they will just probably continue with what they had started without returning to their unstable jobs anymore. The pandemic became pan-gimmick.

Good news for agriculture graduates and uniformed personnel of the country will have their own farm lots. This was announced by Agrarian Reform Sec. John Castriciones(2nd from left)during his visit in Alangalang, Leyte on Thursday(Nov.26).Also in photo were Leyte Vice Gov.Carlo Loreto, Alangalang Mayor Lovely Yu,among others. (ROEL T.AMAZONA)

magamit sapagkat wala silang sariling lupa. Kaya po ngayon ang aking gagawin, gagawa po tayo ng administrative order in relation to sections 6, 7, and 14 or RA 6657 so that all agriculture graduates will have their own piece of land, so they can put into practice their wealth of experience and the knowledge they gain from their agricultural studies,” he said.

RA 6657 refers to the Comprehensive Agrarian Reform Program (CARP) of 1988.

“Some of them even have masteral degrees, some of them even have doctorate in agriculture. But the only problem is they don’t have a piece of land that they can use as a laboratory in order to implement what they have learned as experts in agriculture,” Castriciones said.

According to the DAR Secretary, there is around 200,000 hectares of government-owned idle lands that could be used for this purpose, adding that there is also around 500,000 hectares of lots could be distributed to potential CARP beneficiaries.

Other than agriculture graduates, retiring or retired uniformed personnel from the Armed Forces of the Philippines and the Philippine National Police who are landless will also be entitled to receive a portion from the government-owned idle lands, according to Castriciones.

Rebel returnees are also included in this program he added.

Under the proposed administrative order that he will issue next week, agri-graduates and retired AFP and PNP personnel will receive 3-hectares of land for them to till and nourish.

“Definitely this will be a bold steps in order to see to it that agriculture will really take the lead when it comes to the development of our country,”he said.

Castriciones, in his visit to this town, lead in the ceremonial distribution of CLOAS to 1,031 Agrarian Reform Beneficiaries (ARB) from the towns of Alangalang, Barugo, Burauen, Capoocan, Carigara, Dagami, Jaro, Kananga, and Pastрана, all in Leyte.

Farm machineries were also distributed to ARBs from Alangalang town.

The event was also graced by Vice-Governor Carlo Loreto, Mayor Lovell Yu, and national government agency heads.

Castriciones also lead the launching of the Support for Parcelization of Lands for Individual Titling (SPLIT), a

program in partnership and funded by the World Bank worth Php24 billion.

This project, which will be implemented for three years, seeks to improve land-tenure security and stabilize property rights through fast-tracking of land subdivision of collective CLOA and generate individual titles on lands awarded under CARP.

The program is targeting a total of 63, 373 ARBs for CLOA subdivision, 36, 287 ARBS for CCLOA redocumentation, a total of 114,661 hectares for CCLOA subdivision and 92, 644 hectares for CCLOA redocumentations. (ROEL T. AMAZONA)

## MGB-8 conduct validation of potential mineral resources in some municipalities

The Mines and Geosciences Bureau (MGB) Regional Office No. VIII conducted a validation of the potential mineral resources in some municipalities within the Leyte province.

The activity is part of the government’s efforts to produce the potential mineral resources map of the province and to likewise validate previous records and data of mineral resources of Leyte province.

The validation is important to provide data regarding the availability of mineral resources in the area and to determine the metallic and non-metallic potential deposit location.

The validation has so far confirmed the presence of the following mineral deposits in some municipalities within Leyte province: red burning clay in Tanauan, Leyte and Tacloban City; gold-Mahaplag,

Leyte; asphalt and limestone – Villaba; limestone – Palompon, Calubian and Matalom; limestone and phosphate rock – Isabel; gabbro and talc – Babatngon and magnetite sand – MacArthur, Dulag and Abuyog, Leyte.

Other mineral resources are still subject to further validation and laboratory analysis.

## Man shot farmer couple in Leyte

TACLOBAN CITY- A suspect shot a farmer couple in Tabango, Leyte on Tuesday (November 17).

The victims were identified as Boyet Dacullo, 50, and his wife, Josefina,55, both residents of Sitio Mahayahay 1, Barangay Tabing in the said town.

In an initial investigation, police said the victims were inside their nipa hut when the suspect, identified as alias “Eduardo Mendoza”, barged in and shot the

couple without apparent reasons.

The two were rushed to a hospital after they were hit in the different parts of the bodies.

The suspect immediately fled after the incident, but he was positively identified by the son of the victims, police said in the report.

Authorities have yet to say if they have identified

a motive for the shooting.

A hot pursuit operation was also conducted for the arrest of the suspect. (RONALD O. REYES)

Service upon defendant whose identity or whereabouts are unknown. – In any action where the defendant is designated as an unknown owner, or the like, or whenever his or her whereabouts are unknown and cannot be ascertained by diligent inquiry, within ninety (90) calendars days from the commencement of the action, service may, by leave of court, be effected upon him or her by publication in a newspaper of general circulation and in such places and for such time as the court may order.* Any order granting such leave shall specify a reasonable time, which shall not be less than sixty (60) calendars days after notice, within which the defendant must answer.”

“*Since petitioner could not be personally served with summons despite diligent efforts to locate his whereabouts, respondent sought and was granted leave of court to effect service of summons upon him by publication in a newspaper of general circulation. Thus, petitioner was properly served with summons by publication.*” (Santos, Jr. vs. PNOC Exploration Corporation, G.R. No. 170943, September 23, 2008)

On July 5, 2020, Plaintiff Republic of the Philippines, represented by the Department of Public Works and Highways (DPWH) through the Office of the Solicitor General filed an Ex-Parte Motion for Leave of Court to Serve Summons by Publication.

The Motion is anchored on the ground that per Sheriff’s Return of Service, despite diligent efforts to serve Summons to herein Defendant, attempts proved futile.

On October 2, 2020 videoconferencing hearing, the Ex-Parte Motion for Leave of Court to Serve Summons by Publication with Manifestation and Motion to Admit was submitted for the resolution of the Court.

Notably, attached to the Motion is an Affidavit executed by Director Nerie D. Bueno, Regional Director, Department of Public Works and Highways, Region 8, Palo, Leyte stating among others the diligent efforts the Office has exerted to give notice to herein Defendant as there is no occupant in the subject property nor it has solicited useful information that could possibly help in locating the same Defendant.

Noteworthy is the factual narration deduced from the Affidavit and the documents found on record is hereto enumerated as follows:

**1. In March 2017 prior to the filing of the Complaint, team members of the DPWH RO VIII, HRTEP Office went to the area subject of the appropriation to locate**

*the said owner- no occupant was observed. Upon inquiry with random residents near the said property, no useful information has been solicited which could possibly help them in locating Defendants;*

**2. In the Sheriff’s Return of Service dated July 18, 2019, Sheriff Danilo Obediencia certified that he made an attempt to serve Summons to herein Defendant at the address given in the Complaint but was not served as no one knows the identity of herein Defendant; and**

**3. In the same return, it revealed that on July 16, 2018, Hon. Leo S. Bahin, Punong Barangay of Barangay 87, San Jose, Tacloban City, the given address of the Defendant issued a Certification that per recent survey conducted by the Barangay Service Point Officer (BSPO), Defendant Canuto Abres is not a resident of the said Barangay.**

Gleaning from these narration, the Court is convinced that, indeed, herein Plaintiff made diligent efforts to give notice to herein Defendant even before the Court took efforts to effect valid service of Summons to the same Defendant, but all of which proved to no avail.

Hence, the Court finds Section 16, Rule 14 of the Rules of Court (as amended) favorably availing in this instance:

“*Section 16. Service upon defendant whose identity or whereabouts are unknown. – In any action where the defendant is designated as an unknown owner, or the like, or whenever his or her whereabouts are unknown and cannot be ascertained by diligent inquiry, within ninety (90) calendar days from the commencement of the action, service may, by leave of court, be effected upon him or her by publication in a newspaper of general circulation and in such places and for such time as the court may order.* Any order granting such leave shall specify a reasonable time, which shall not be less than sixty (60) calendar days after notice, within which the defendant must answer.”

This matter is abundant in jurisprudential anchored, as in the case of Santos, Jr. vs. PNOC Exploration Corporation (G.R. No. 170943, September 23, 2008), the Court ruled:

“**Section 14, Rule 14 (on Summons) of the Rules of Court provides:**

**SEC. 14. Service upon defendant whose identity or whereabouts are unknown. In any action where the defendant is designated as an unknown owner, or the like, or whenever his whereabouts are unknown and cannot be ascertained by diligent inquiry, service may, by leave of court, be effected upon him by publication in a newspaper of general circulation and in such places and for such times as the court may order. (Underscoring supplied)**

*Since petitioner could not be personally served with summons despite diligent efforts to locate his whereabouts, respondent sought and was granted leave of court to effect service of summons upon him by publication in a newspaper of general circulation. Thus, petitioner was properly served with summons by publication.*” (Santos, Jr. vs. PNOC Exploration Corporation, G.R., No. 170943, September 23, 2008)

Moreso, that the requirement of the Rule in attaching thereto an Affidavit stating the

meritorious grounds of having exerted diligent efforts of effecting personal service of Summons was duly complied by the Plaintiff in this case.

WHEREFORE, premises considered, the **Motion for Leave to Issue Summons by Publication** is hereby **GRANTED.**

Thus, let **Summons** be published once week for three (3) consecutive weeks in a newspaper of general circulation in Tacloban City and in the Province of Leyte. Likewise, let a copy of the summons and this Order be furnished to Defendant **CANUTO ARBES** by registered mail to his last known address, all at the expense of Plaintiff.

Defendant Canuto Arbes is hereby ordered to file his Answer within Sixty (60) calendar days after notice thereof.

Let copies of this Order be furnished immediately to the parties and counsels concerned and the Office of the Clerk of Court, Regional Trial Courts, Tacloban City.

SO ORDERED.

IN CHAMBERS this 15th day of October, 2020, Regional Trial Court, Branch 43, Bulwagan ng Katarungan, Magsaysay Boulevard, Tacloban City.

**COMPLAINT**  
**(With Urgent Prayer for the Issuance of a Writ of Possession)**  
Plaintiff **REPUBLIC OF THE PHILIPPINES** represented by the **Department of Public Works and Highways (DPWH)**, through the **OFFICE OF THE SOLICITOR GENERAL (OSG)**, to this Honorable Trial Court, respectively states:

1. Plaintiff **REPUBLIC OF THE PHILIPPINES** is a sovereign political entity with capacity to sue and is vested with the power and authority to condemn private property for public use upon payment of just compensation. It is represented by the DPWH, the engineering and construction arm of the Government tasked with the planning, design, construction, and maintenance of national highways in accordance with national development objectives. Plaintiff may be served with notices and other court processes through its statutory counsel, the OSG, at 134 Amorsolo Street, Legaspi Village, Makati City.

2. Defendant Canuto Arbes (“Defendant,” for brevity) is a Filipino, of legal age, and with residential address at San Jose Street, Brgy. 87, Tacloban City, Province of Leyte, where he may be served with summons and other court processes.

3. To provide a heightened road and tide embankment in Palo, Leyte, Plaintiff is implementing the construction of the “**Storm Surge Protection: Heightened Road and Tide Embankment Project**” (“**STORM SURGE PROTECTION PROJECT**”).

4. The lot containing the area sought to be expropriated (subject lot), covered by Tax Declaration No. 2012-01-0015-08572, is in the name of Defendant. It is located in Brgy. 87, Tacloban City, Leyte and within the jurisdiction of the Honorable Trial Court. The details of the subject lot are as follows:

Registered Owner: Canuto Arbes; Lot No.: 3980; Total Area (in hectares): 0. 21740; Affected Areas (sq.m.): 736

(Agricultural; Bureau of Internal Revenue (BIR) Zonal Value of the subject lot per sq.m. (in Pesos): 100; Zonal Value of the Affected Areas (in Pesos): 73,600.00; TOTAL 73,600.00

Copies of the Bureau of Internal Revenue (BIR) Certification on the current relevant zonal valuation and Tax Declaration of the subject lot are attached hereto as **Annexes “A” and “B”**, respectively.

5. Pursuant to Section 6 of Republic Act (R.A.) No. 10752, in relation to Section 5 of the same law, Plaintiff offered to purchased the affected area of the subject lot at its current market value. However, Defendant rejected the offer of Plaintiff. A copy of Plaintiff’s letter-offer to Defendant is attached hereto as **Annex “C”**.

6. The relative location of the affected area of the subject lot is indicated by the shaded portion on the *Parcellary Plan* and the *Subdivision Plan*, which are attached hereto as **Annexes “D” and “E”**, respectively. More particularly, the technical description of the affected portion thereof is indicated in the *Subdivision Plan*.

7. The subject lot will be traversed by the construction of the **STORM SURGE PROTECTION PROJECT**, a government infrastructure project vested with a public purpose. In compliance with the requirements of Presidential Decree (P.D.) No. 1586, as amended, an *Environmental Compliance Certificate* (ECC) has been secured from the DENR, a copy of which is attached hereto as **Annex “F”**.

8. The subject lot has neither been devoted to nor expropriated for any public use, and indispensable in implementing the project. It was selected by the Plaintiff in a manner compatible with the greatest public good and with the least injury to private property.

9. The determination of just compensation in expropriation cases is a judicial function to be discharged during trial, pursuant to Section 5 to 8 of Rule 67 of the Revised Rules of Court and Section 6 of R.A. No. 10752.

10. A DPWH Modified Disbursement System/Treasury Check (MDS treasury check) in the amount of **Seventy Three Thousand Six Hundred Pesos (Php 73,600.00)** representing one hundred percent (100%) of the BIR zonal

COMMENTS ON THE COMPLAINTS OF THE FOLLOWING CASES:

CATALINA PONDAVILLA, R.F. NOCON AND CO. INC. AND CANUTO ARBES – ATTY. GLENN THYRON ANCHETA

1. No allegation as to publication of the names of the lot owners in the newspaper of general circulation.

FERNANDO SAN RAMON, NORMA V. HAYDEN AND EDUARDO OCSO – ATTY. BERNHARD FULGENCIO

2. Par. 11 – no allegation as to the mode of service of the letter offer to the lot owner. No acceptance or rejection to speak of since LO cannot be located despite exhausting all efforts in locating them.

Value of the affected area of the subject lot, is being prepared, and will be deposited with this Honorable Trial Court upon release by the DPWH.

11. Said MDS treasury check will be released to Defendant, in compliance with the payment required under R.A. No. 10752, after a hearing set by this Honorable Trial Court for the submission of proof by

said Defendant of his identity, ownership of the subject lot, and updated payment of all requisite taxes and fees to the relevant local and national government agencies, including but not limited to real property tax due on the subject lot.

12. Pursuant to Section 21, Rule 141 of the Revised Rules of Court, Plaintiff is exempted from the payment of legal fees relative to the filing of this complaint for expropriation.

**ALLEGATIONS IN SUPPORT OF THE URGENT PRAYER FOR THE ISSUANCE OF A WRIT OF POSSESSION.**

13. Section 6 of R.A. No. 10752 provides that the court shall issue a *Writ of Possession* upon deposit of the amount equivalent to one hundred percent (100%) of the current relevant BIR zonal value of the affected area of the subject lot, *to wit:*

SEC. 6. *Guidelines for Expropriation Proceedings.*

Whenever it is necessary to acquire real property for the right-of-way site or location for any national government infrastructure through expropriation, the appropriate implementing agency, through the Office of the Solicitor General, the Office of the Government Corporate Counsel, or their deputize government or private legal counsel, shall immediately initiate the expropriation proceedings before the proper court under the following guidelines.

(a) **Upon the filing of the complaint or at any time thereafter**, and after due notice to the Defendant, the implementing agency shall immediately deposit to the court in favor of the owner the amount equivalent to the sum of:

(1) One Hundred percent (100%) of the value of the land based on the current relevant zonal valuation of the Bureau of Internal Revenue (BIR) issued not more than three (3) years prior to the filing of the expropriation complaint subject to subparagraph © of this section;

(2) The replacement cost at current market value of the improvements and structures as determined by:

(i) The implementing agency;

(ii) A government financial institution with adequate experience in property appraisal; and

(iii) An independent property appraiser accredited by the BSP.

(3) The current market value of crops and trees located within the property as determined by a government financial institution or an independent property appraiser to be selected as indicated in subparagraph (a) of Section 5 hereof.

Upon compliance with the guidelines above-mentioned, **the court shall immediately issue to the implementing agency an order to take possession of the property and start the implementation of the project.**

14. Accordingly, the issuance of a *Writ of Possession* in favor of Plaintiff is due upon deposit with this Honorable Trial Court of the MDS treasury check equivalent to one hundred percent (100%) of the current relevant BIR zonal value of the affected area of the subject lot.

15. It is also imperative for the protection of government interest and its real rights over the subject lot that the corresponding *Order of Expropriation* be issued in this case, and the same be entered in the Primary Entry Book, of the Registry of Deeds of Leyte

and annotated in its Registration Book, pursuant to the provision of Section 113 of Presidential Decree No. 1529, otherwise known as the “Property Registration Decree,” which reads as follows:

**Section 113. Recording of instruments relating to unregistered lands. No deed, conveyance, mortgage, lease, or other voluntary instrument affecting land not registered under the Torrents system shall be valid, except as between the parties thereto, unless such instrument shall have been recorded in the manner herein prescribed in the office of the Register of Deeds for the province or city where the land lies.**

(a) The Register of Deeds for each province or city shall keep a Primary Entry Book and a Registration Book. The Primary Entry Book shall contain, among other particulars, the entry number, the names of the parties, the nature of the document, the date, hour and minute it was presented and received. The recording of the deed and other instruments relating to unregistered lands shall be affected by any of annotation on the space provided therefor in the Registration Book, after the same shall have been entered in the Primary Entry Book.

(b) If on the face of the Instrument, it appears that it is sufficient in law, the Register of Deeds shall forthwith record the instrument in the manner provided herein. In case the Register of Deeds refuses its administration to record, said official shall advise the party in interest in writing of the ground or grounds for his refusal and the latter may appeal the matter to the Commissioner of Land Registration in accordance with the provisions of Section 117 of this Decree. It shall be understood that any recording made under this section shall be without prejudice to a third party with a better right.

(c) After recording on the Record Book, the Register of Deeds shall endorse among other things, upon the original of the recorded instruments, the file number and the date as well as the hour and minute when the document was received for recording as shown in the Primary Entry Book, returning to the registrant or person in interest the duplicate of the instrument, with appropriate annotation, certifying that he has recorded the instrument after reserving one copy thereof to be furnished the provincial or city assessor as required by existing law.

**PRAYER**

**WHEREFORE**, it is respectfully prayed that this Honorable Trial Court:

(1) **ISSUE** an Order of Expropriation:

(a) Condemning the affected area of the subject lot for public use and for the public purpose set forth herein; and

(b) Directing the Register of Deeds of Tacloban City, Leyte, to register and annotate the Order of Expropriation issued by this Honorable Trial Court in the corresponding Primary Entry Book and Registration Book;

(2) **ISSUE** a *Writ of Possession* upon Plaintiff’s deposit of the amount equivalent to one Hundred percent (100%) of the current BIR zonal value of the affected area of the subject.

*Cont. to page 11...*

(3) **SET** a hearing for the presentation of Defendant’s proof of identity, and ownership of the subject lot, after fifteen (15) days from service of summons upon Defendant, and that at said hearing:

(a) Defendant be directed to submit sufficient proof of his identity and ownership of the subject lot, and updated payment of all requisite taxes and fees to the relevant local and national government agencies, including but not limited to real property tax due on the subject lot; and

(b) Subject to clearance from Plaintiff of Defendant’s satisfaction or completion of proof of the requirements of his identity, ownership, and payment of relevant government taxes and fees, in accordance with Section 6 of R.A. No. 10752 and its IRR, and Commission on Audit requirements, release the MDS treasury check deposited with this Honorable Trial Court to Defendant;

(4) **ISSUE** an order directing the Register of Deeds of Tacloban City, Leyte, to register and annotate the *Writ of Possession* to be issued by this Honorable Trial Court in the corresponding Primary Entry Book and Registration Book;

(5) **AUTHORIZE** and **ORDER** Plaintiff to pay the amount of just compensation due to the Defendant, after deducting the sums due for capital gains tax, unpaid real property tax, and other taxes and fees due to the Government, if any, and/or **ORDER** Defendant to return to Plaintiff any amount he may have received in excess of the amount of just compensation, as determined by this Honorable Trial Court; and

(6) **ORDER** the Register of Deeds of Tacloban City, Leyte, to transfer the ownership of the affected area of the subject lot to Plaintiff, and to issue the corresponding Certificate of Title in the name of the Republic of the Philippines.

Other forms of relief, just and equitable under the prem-

ises, are likewise prayed for.

# 76-year old man arrested for molesting an 8-year old girl

TACLOBAN CITY-A 76-year old man was arrested on Monday (Nov.23) by police authorities in Abuyog town, Leyte province for molesting an 8-year old girl.

Police Sergeant Blanche Bolito, officer-in-charge of the Abuyog police station, said that the septuagenarian committed the act against the minor last August 22 of this year inside his house in Baran-gay Tinocolan, a remote village 20 kms away from the town center.

Bolito requested that the name of the suspect be not disclosed.

The suspect is charged of acts of lasciviousness by the police with a regional trial court based in Abuyog issuing a warrant of arrest against him last November 16.

“He was arrested inside his house with our law enforcers armed with a warrant issued by the court. He did not resist arrest and is now at our lock-up facility,” Bolito, on a mobile phone interview, said.

According to the police officer, both the victim and the suspect live in the same village.

The minor is still with her family and was given some psychological management to help her forget the trauma she experienced.**(JOEY A. GABIETA)**

## EV police officers tested positive for COVID-19 rise to 235

PALO, Leyte – The number of policemen from the region that have been infected with the coronavirus disease (COVID-19) is now 190, a report from the Regional Office 8 (PRO8) based in Camp Ruperto Kangleon, Campetic, this town, said.

PRO8 Regional Information Officer Lieutenant Colonel Ma. Bella Rentuaya told reporters that as of November 27, the total number of the members of the Philippine National Police (PNP) is now 235 in the region since March 17 when the first policeman was infected with the virus.

Rentuaya reported that with this number of infected law enforcers the active cases is only 63 while 172 of them have already recovered and with zero death.

Rentuaya said that all of the 144 police officers with active cases are now confined at the isolation facilities of their respective local government units.

Rentuaya added that the infected police officers are asymptomatic.

They are being closely monitored by the headquarters of PRO8, she added.

She said that the infected police officers could have caught the virus while performing their duties considering that most of them are detailed at various checkpoints established by the local government units in the region. They are considered as among the country’s front liners in the fight against the COVID-19 pandemic, Rentuaya added.**(RESTITUTO A. CAYUBIT)**

# Local farmers to benefit the new farm-to-market road in Leyte

CARIGARA, Leyte – Construction of the P11.9 million farm-to-market road in Barangay Libo in Carigara, Leyte is now on its final phase despite the heavy rainfall brought by the recent typhoons that paused the concrete pouring activities.

The Department of Public Works and Highways (DPWH) Leyte Second District Engineering Office (L2DEO) is with the Department of Agriculture (DA) to deliver quality infrastructure and better access road project to the local farmers.

“This project will be beneficial not only to the local farmers but also to the residents living nearby. Delivery of agricultural and social services will be more accessible,” said OIC-District Engineer Leo Edward Oppura.

The L2DEO is targeting the completion of .436-kilometer concrete road with box culvert by December of this year to give better road network and improve the living standards of the residents and farmers.

Farm produce such as rice grains, bananas, root crops, fruits and other commodities can be easily transported with less-

## DPWH-NSFDEO completes a road section of Brgy. Polangi along Polangi -Gebulwangan-Quezon-Trangue-Mabini-Road in Catarman N. Samar

CATARMAN, Northern Samar- Far-flung barangays in the municipality of Catarman can now be reached with ease as the Department of Public Works (DPWH) Northern Samar First District Engineering Office completes a road section of Brgy. Polangi along Polangi-Gebulwangan-Quezon-Trangue-Mabini-Road.

These barangays with mountainous topography located few hours away from the town proper become unpassable during typhoons or heavy rains, thus basic services become tougher to access.

The department prioritized this project to provide better roads for the locals/upland farmers and villagers for easier and faster transport of farm products to the nearest market.

The road concreting project amounting to P44,196,852 million has a total length of 211.50 meters and 6.7 meters width. It also involves construction of Slope protection with net length of 240 meters.

“Without this slope protection, motorist will be at risk because of the deep cliffs along the way, with this project, travelling here becomes safer & convenient,” barangay chairman Joaphel R. Ogayre said. The project also provide protection to the habal-habal drivers.

District Engineer Mario Villena said that this project will boost the local economy since it becomes more accessible. Farmers can now transport their farm products without hassle.

The said project is funded under the GAA 2019. It was started last January 24, 2020 and completed last October 14, 2020.**(ANALIZA A. PABIA, PIO)**

Present during the draw was Councilor Aimee Grafil, committee head on Social Service and Housing together with barangay chairwoman Emelita Montalban.

Representatives from the City Social Welfare and Development Office (CSWDO) and other concerned agencies were also present.

Meantime, the said beneficiaries, who were survivors of Super Typhoon ‘Yolanda’ and will likewise be affected by the expansion project of the Daniel Z. Romualdez (DZR) Airport, were reminded to follow the specific guidelines since the local housing board can reclaim their benefits if proven that they violated the rules.

Meanwhile, Teddy Jopson, head of the City Housing and Community Development Office, said that they are reviewing documents involving 500 units at the different housing resettlements located in the northern part of the city.

According to him, around this number of housing units, while awarded, remain unoccupied contrary to the policy of the government.

Jopson said that Mayor Alfred Romualdez has directed his office to make a review on this matter and if proven to be true, these housing units awarded to the identified beneficiaries would be revoked and would be given to others who remain without permanent housing unit.**(TACLOBAN CITY INFORMATION OFFICE)**

Farm-to-Market road (FMR) projects is funded under the convergence program of the DPWH and the Department of

Agriculture that aims to promote inclusive growth and poverty reduction in the country’s hard to reach areas through better road connectivity.

For Fiscal Year 2020, the district office is task to implement 2-FMR projects amounting to P24.5 million under DA Trust Fund. **(PR)**

hall server and the two training personnel. Their positive swab test result came out last Nov.21.

Their 94 close contacts are now quarantined.

The training center was immediately decontaminated by the Bureau of Fire and Protection to ensure that the virus would not spread inside the facility.

Meantime, based on the records of the PNP-8, as of November 27, there were 235 police officers who were infected of COVID-19 of which 172 of them have recovered.

Also, based on the report

of the regional office of the Department of Health (DOH), Eastern Visayas has now 8,518 COVID-19 cases with 68 new cases were reported on Thursday night.

The new cases were from Samar province with 34 cases; Leyte, 30; Eastern Samar, three; and one from Northern Samar.

The DOH has also reported two new deaths involving a 72-year old woman from Calbiga, Samar who died last Nov.23 and a 70-year old man from Tanauan, Leyte who died last Nov.25.

The region has now 88 deaths due to COVID-19.

RESOLUTION NO. 2019-077-A

WHEREAS, Article II, Section 6 of the Philippine Constitution provides that the state shall provide and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony with nature;

WHEREAS, Section (1) of R.A. 7160 also known as the Local Government Code of 1991 provides that the Local Government Unit shall share the National Government the responsibility in the management and maintenance of ecological balance within their territorial jurisdiction.

WHEREAS, Section 477 (vi) of R.A. 7160 also empowers the Sangguniang Bayan to protect the environment and impose appropriate penalties for acts which endanger the environment including such activities which result in pollution, acceleration or eutrophication of rivers and lakes or ecological imbalance.

WHEREAS, plastic bags are rampantly used at packaging materials not only in the Municipality of Alangalang, Leyte but also in other parts of the country. Being non-bio degradable material, plastic bags clog our canals, creeks, rivers and other waterways.

WHEREAS, despite serious efforts of the municipality to segregate compostable, recyclable and reusable materials, plastic and other materials remain in the waste stream and other waterways.

WHEREAS, the municipality of Alangalang in its desire to reduce if not totally eliminate the use of plastic film bags as packaging materials, encourages the utilization of alternative packaging materials such as Eco bags, woven bags (Bayong), cloth bag (katsa), woven baskets, paper bags, manila paper (no print), bamboo strip (Banban) and other similar materials. Consumers are encouraged to bring their own containers (enumerated above) or recyclable materials for the purpose.

WHEREAS, there is an urgent need to regulate the use of plastic bags to prevent potential serious ecological imbalance particularly the clogging and pollution of the municipality's canals, creeks, rivers and other waterways.

WHEREFORE, on motion of SB Member Lovell Anne M. Yu, duly seconded by SB Member Oscar N. Matela, be it –

RESOLVE as it is hereby resolved that this resolution be enacted into Municipal Ordinance, to wit,

PREPARATORY STATEMENT

WHEREAS, It has been Observe That Some of the municipal streets, avenues, alleys, sidewalks, bridges, parks and other public places in the Municipality of Alangalang, Leyte, are not properly utilized by the public, road users and the vendors due to malpractices of some unscrupulous individuals who wantonly utilize this areas for displaying and vending their goods as well as utilizing in the same in erecting some structures for commercial and advertising purposes;

WHEREAS, in the case of “Umali vs. Aquino 1 C.A. Rep 339, the supreme court ruled that” the occupation and use by private individuals of sidewalks and other public places devoted to public use constitute both public nuisances per se”;

WHEREAS, the same ruling states that such use of sidewalks “applies even to cases involving the use or lease of public places under permits or licenses issued by competent authority upon the theory that such holders could not take advantage of their unlawful permits and licenses and claim that the land in question is a part of a public use hence beyond the commerce of man”;

WHEREAS, President Rodrigo Roa Duterte, has directed, local government units, law enforcement agencies and public officials to exercise their full authority to remove all street and sidewalks obstructions, including but not limited to makeshift stalls, basketball courts, and other illegal structures, in order to effect the smooth flow of traffic and pedestrians.

WHEREAS, DILG Secretary Eduardo M. Año issued DILG Memorandum Circular No. 2019-121 directing Local Government Units to implement and enforce the directive of the President and that non-compliant local chief executives shall be meted out with appropriate administrative sanctions/cases.

WHEREAS, in consonance with the aforementioned Supreme Court decision, the directive of the President and DILG Memorandum Circular Memorandum, the Municipality of Alangalang, Leyte deems it necessary and urgent to clear all illegal structures/obstructions on or along the aforesaid places in order to insure a smooth flow of traffic and provide a safe and convenient movement of goods and pedestrians.

WHEREFORE, be it enacted by the Sangguniang Bayan in session duly assembled that:

SECTION I – TITLE. This ordinance shall be known as the Anti-Streets and Sidewalks Illegal Structures and Obstruction Ordinance of Alangalang, Leyte.

SECTION II – PURPOSE AND OBJECTIVE. It is the purpose and objective of this ordinance to;

a) To make all public roads, streets and sidewalks safe, accessible and convenient to the public;

b) To improve the flow of traffic and ensure safety to all pedestrians;

c) To rid the streets of illegal vendors;

d) To remove all illegal structures and obstructions in the streets, roads, alleys, bridges and other places in Alangalang, Leyte.

SECTION III – DEFINITION OF TERMS. When used in this Code, the following terms and phrases shall mean as follows:

a.) PUBLIC ROADS shall mean all streets, roads, bridges, highways and other thoroughfares constructed and maintained by the National Government or by the Local Government Unit. Provided that any road or sidewalk not falling under the definition, but upon determination by the Municipality of Alangalang, Leyte is deemed vital to pedestrian access or safety, hence shall be deemed as a public road or sidewalk for the purpose of this ordinance.

b.) ILLEGAL STRUCTURES/OBSTRUCTIONS shall mean any structure, whether permanent or temporary, immovable or movable erected along, standing on, adjoining, or any manner impeding safe and convenient passage through any public roads or sidewalk, conduct of business in the sidewalks; and any belonging or thing found therein, which shall be deemed nuisance per se and treated as trash, subject to summary abatement and/or disposal as provided under this Ordinance. Provided, that the property of the Government, including official road signs and structures erected and installed, for the purpose of regulating the flow of traffic, shall not be considered as such, provided further that it is not detrimental to the driving public and the pedestrians.

c.) SIDEWALK OR STREET VENDOR shall be any person or entity who offers goods or services for sale to the Public, whether stationary or mobile, without having a permanently built structure but with a temporary static structure or mobile store, and that occupy the a part of the street, pavement, sidewalks and other public or private areas. Vendors who move from place to place carrying their wares/goods on push carts, cycles, baskets shall be deemed as street vendors under this ordinance.

d.) SEATBACK means the required separation between a lot line (and/or right of way line) and a building or structure. It is the minimum distance which a building, establishment or other structure must set back from a street or road or on any other place which is deemed to need protection. Fences, landscaping and other various potential obstructions and hazards or nuisance shall be regulated and prohibited by setback lines.

SECTION IV – RULES AND REGULATIONS. The use of street, sidewalks, avenues, alleys, bridges, Parks and other public places in the Municipality for commercial use shall be prohibited. Such prohibited acts include but not limited to the following:

1. Vending or selling of foods, beverages, magazine, newspapers, cigarettes, brooms, watches or jewelries, shoes and other footwear, and or any other items.

2. Conduct of services such as but not limited to the haircut, massage, manicure and pedicure, shoe-shine occupation and other forms of services.

3. Putting tarpaulins, posters and business signages on trees along the streets.

4. Conduct of “religious” activities, such as preaching and seeking alms;

5. Doing house chores such as washing clothes, hanging clothes, and bathing;

6. Use of streets for vehicle garage and/or vehicle repair/washing;

7. Dumping garbage and litter along the streets and sidewalks;

8. Setting up of basketball court/goal;

13. House extension or stall/store extension including installation of roofs, canopies, awnings, outdoor tents or the like;

14. Installation of temporary or permanent gates or fences;

15. Parking of vehicles on sidewalks;

16. Landscaping and use of sidewalks with plants, trees and plant boxes;

17. Signs or signboards on or above sidewalks and detached from the business establishment and, 18. Other analogous acts.

SECTION V – OBSTRUCTIONS AS NUISANCE PER SE. All obstructions along public roads and sidewalks are hereby presumed or declared nuisance per se and such, are subject to summary abatement without need of judicial proceedings.

SECTION VI – SUMMARY ABATEMENT. The Municipal Mayor is hereby authorized to donate the confiscated items to the Municipal Welfare and Development Office or any other agency or instruction depending on the suitability of the needs of the recipients.

PROVIDED, that enforces, Barangay Officials and employees of the Local Government tasked to implement this ordinance and to conduct confiscation operations shall be free from any liability, arising from the lawful forfeited and disposal of sidewalk and setback obstructions.

PROVIDED, further, that all costs related to the above-mentioned forfeiture and demolition operations shall be conducted on any given time and day, with the required authority from the Municipal Mayor stating the fact of operations to be conducted.

SECTION VII – AUTHORITY TO CONDUCT OPERATIONS. Forfeiture, clearing and demolition operations shall be conducted on any given time and day, with the required authority from the Municipal Mayor stating the fact of operations to be conducted.

SECTION VIII – RESPONSIBILITIES OF THE BUILDING OWNERS, LESSEES, STALL OWNERS. The owners of the residential and commercial buildings, establishment, Lessees or temporary occupants are mandated remove and clear the sidewalks, passageways and setbacks, fronting their establishment from any obstructions.

It shall be the responsibility of the above-mentioned persons not to place their garbage and collected trash in the sidewalks. Disposal of garbage in trash bins and boxes owned by the Municipality and/or business establishments as mandated under existing laws and ordinances shall be allowed. Bringing out of garbage and collected trash shall only be allowed upon the actual conduct of garbage collection by the garbage collection team. Failure to do so shall make the violator liable under this Ordinance.

SECTION IX – PENALTIES. Any violation of the provisions of this Ordinance shall be penalized by summary abatement, stern warning, forfeiture or confiscation and the payment of fines.

In addition, any person, corporation, trust, firm partnership, association, institution or entity found violating this Ordinance shall be imposed a fine which shall accrue to the Local Treasury, as follows;

SECTION X – EXEMPTION. Vendors on Market Day or “Tabo”, Agriculture/Commercial Fairs shall be exempted provided that necessary permits had been obtained. AN ORDINANCE PROHIBITING ANY PERSON FROM COMMITTING ANY ACT WHICH CAUSES STIGMA, DISGRACE, SHAME, HUMILIATION, HARASSMENT OR OTHERWISE DISCRIMINATING AGAINST A PERSON INFECTED, UNDER MONITORING OR INVESTIGATION DUE TO THE COVID-19 VIRUS INCLUDING PUBLIC AND PRIVATE DOCTORS, NURSES, HEALTH WORKERS, EMERGENCY PERSONNEL AND VOLUNTEERS, SERVICE WORKERS WHO ARE ASSIGNED TO HOSPITALS OR OTHER CENTERS WHERE THESE PERSONS ARE BEING TREATED, AND IMPOSING PENALTIES THEREIN. HEREIN OTHERWISE KNOWN AS THE “ANTI CORONA VIRUS DISCRIMINATOR ORDINANCE OF 2020”.

WHEREAS, the 1987 Philippines Constitution under Article III, Section 1 provides that every person has the right to life, liberty, security of person and privacy and the right to be free from discrimination. Furthermore, under Section II thereof, the State values the dignity of every person and guarantees full respect for human rights;

WHEREAS, the 2019-2020 corona virus pandemic was confirmed to have spread to the Philippines on January 30, 2020, when the first case of corona virus disease 2019 (COVID-19) was confirmed in Metro Manila. As of April 5, 2020, there have been 3,246 confirmed cases of the disease in the country. Out of this case, 152 deaths and 64 recoveries were recorded;

WHEREAS Since the emergence of COVID-19 we have seen instances of public stigmatization among persons who have contacted the disease including PUIs and PUMs and the rise of harmful stereotypes. This means that people are being labeled stereotyped, separated and/or experience loss of status and discrimination because of the potential negative affiliation with the disease. Stigmatization could drive people to hide the illness to avoid discrimination or prevent people from seeking health care immediately and discourage them from adopting healthy behaviors;

WHEREAS, the Department of Health (DOH) recently warned the public against discrimination against persons who have contacted COVID-19 as well as PUIs and PUMs including health workers and emergency workers who are among those in the frontline of the battle against the rapidly spreading COVID-19. The DOH stated” that with the world confronted with a virus with little information known, it is human to be afraid. But we must not allow hysteria and paranoia to result in irrational treatment of people;

WHEREAS, there have been several reported incidents of people being evicted out of their residences or after having recovered from the illness were prevented from returning back to their residences, while some were even doused with water and were refused services in eateries or transportations over fears of infection. Some were shunned by local stores, boarding houses and even their own barangays and homes.

WHEREAS, considering the gravity of the situation, there is an urgent need to combat the pervasive stigmatization on the basis of one's medical condition. There is a need for the Municipality to bring normalcy and order amidst the crisis, and protect its constituency from unjust discrimination brought on by fear and panic by public;

SECTION 1. TITLE: This ordinance shall be known as “ANTI CORONA VIRUS DISCRIMINATION ORDINANCE OF 2020”

SECTION 2. DEFINITIONS – PERSONS INFECTED, PATIENTS UNDER INVESTIGATION (PUIs) and PERSONS UNDER MONITORING (PUMs) are those defined by the protocols and guidelines of the Department of Health.

AN ORDINANCE REQUIRING THE MANDATORY USE OF FACE MASKS AND STRINGENT PRACTICE OF PHYSICAL DISTANDING BY ALL PERSONS WHO ARE FOUND IN THE MUNICIPALITY OF ALANGALANG DURING THE GENERAL COMMUNITY QUARANTINE AND ANY EXTENSION THEREOF. HEREIN OTHERWISE KNOWN AS THE "FACE MASK AND SOCIAL DISTANCING ORDINANCE OF 2020"

WHEREAS, There is Presidential Proclamation No. 922 Series of 2020 issued by President Rodrigo Roa Duterte declaring a State of Public Health Emergency throughout the Philippines due to Covid-19 which enjoins all government agencies and Local Government Units to render full assistance and cooperation in this time of national health crisis.

WHEREAS, The Local Government Unit of Alangalang through its Municipal Mayor Lovell Anne M. Yu place the whole Municipality of Alangalang, Leyte under General Community Quarantine where movement of people shall be limited to accessing basic necessities and work; and uniformed personnel and quarantine officers shall be present at border points starting from 5:00AM of March 21, 2020 until

11:59PM of April 18, 2020.

WHEREAS, In order to overcome the present threat of Covid-19, the Municipality of Alangalang must require simultaneous efforts on different fronts, including all the persons who are living or working in the Municipality of Alangalang, to cooperate together and work harmoniously with a common goal of defeating the COVID-19 threat;

WHEREAS, All persons are hereby enjoined to work together, among others to protect and support our health workers and frontliners, ensure that the General Community Quarantine is strictly implemented and direct everyone to be part of the solution in reducing the local or community transmission of Corona Virus Disease COVID-19.

WHEREAS, in fighting this invisible enemy, the mandatory use of face masks can significantly reduce the possibility of local community transmission and can effectively reduce the contagion in the communities especially by persons who are asymptomatic but may already be carriers of VOCID-19.

WHEREAS, the Department of Health requires persons to strictly observe stringent physical distancing to ensure that the virus is not passed on to other persons through the release of respiratory droplets and other contact from an infected person.

WHEREAS, By mandating the use of facemasks and strict physical distancing that result to reduced COVID-19 infections, the people of the Municipality of Alangalang are keeping the health workers and hospitals from becoming overwhelmed with COVID-19 patients.

NOW THEREFORE, on motion of SB Member Kenneth Spice M. De Veyra duly seconded by SB Member Elmer D. Matobato and Epifania B. Salazar, be it ordained by the Sangguniang Bayan of Alangalang, Leyte in session duly assembled that the implementation of Facemask and Social Distancing Ordinance of 2020 shall be guided by the herein stipulations, to wit;

SECTION 1. TITLE – This ordinance shall be known as "FACE MASK AND SOCIAL DISTANCING ORDINANCE OF 2020"

SECTION 2. COVERAGE – All persons who are found within the territorial jurisdiction of the Municipality of Alangalang, Leyte are covered by this ordinance.

SECTION 3. MANDATORY USE OF FACEMASKS – Every person is required to wear masks at all times, especially when going outside of their residence, at the workplace, when entering government buildings and offices and while in public places. This requirement shall be followed while there is a continuing threat of COVID 19.

A FACE MASK is a protective mask used to cover the nose, mouth and chin with specifications and proper use as recommended by the Department of Health (e.g., surgical Masks, medical masks, N95 masks) or reusable or washable face masks ordinarily solid in commercial markets.

Due to scarcity of face masks, any cloth that can cover the nose, mouth and chin shall be considered as an equivalent face mask.

SECTION 4. A STRINGENT PHYSICAL DISTANCING – All persons are mandated to exercise stringent physical distancing of at least one (1) meter from other persons during the General Community Quarantine or while the threat of COVID-19 is still persisting.

SECTION 5. COMPLIANCE IN PRIVATE COMMERCIAL ESTABLISHMENTS – To effectively promote and encourage compliance to this Ordinance, all private commercial establishments operating in the Municipality of Alangalang shall (i) conspicuously display at or near the entrance of the establishment a full copy of this Ordinance, and (ii) strictly prohibit entry of any person who is not wearing a face mask or an equivalent thereof in the establishment.

SECTION 6. PENALTIES – Any person who fails to wear face mask or does not exercise stringent physical distancing shall be meted out the following penalties.

First (1st) Offense. The offender shall attend community service or awareness campaigns on COVID-19 for at least three (3) hours as conducted by the barangays and other local government offices.

Second (2nd) Offense and subsequently offenses. The offender shall be monitored and strictly prohibited from leaving his or her residence during the remaining period of the General Community Quarantine or any extension thereof, except for an emergency medical situation or when imminent danger.

SECTION 7. SEPARABILITY CLAUSE.

Should any provision herein declared unconstitutional or invalid by a court of competent jurisdiction, the same shall does not affect the validity of the other provisions of this ordinance.

SECTION 7. REPEALING CLAUSE.

All ordinances inconsistent with this ordinance are hereby amended, repealed or modified accordingly.

SECTION 8. EFFECTIVITY CLAUSE – This ordinance shall take effect upon approval and compliance with the applicable statutory provisions.

ENACTED, by the Sangguniang Bayan on April 13, 2020.

Mitigation structure along Catarman-Calbayog road in Catarman and Lope De Vega now substantially complete

Brgy. Cervantes Slope Protection K0765+460-K0765+480)

C A T A R M A N , Northern Samar- As part of the DPWH's thrust to protect lives and properties from natural disasters, the Department of Public Works and Highways Northern Samar First District Engineering Office (DPWH-NSFDEO) rehabilitates the mitigation structure along

Catarman-Calbayog road in the municipalities of Catarman and Lope De Vega Northern Samar and is now 95% substantially completed. District Engineer Mario Villena said the project is designed to mitigate soil erosion and/or soil collapse, prevent road damage and provide safety to the travelling public.

The P47.996 million project involves the construction of road slope protection on steel sheet pile with a total length of 123.8m and road widening of 127 meters. Funded under the 2020 General Appropriations Act (GAA), the project will be completed on December 7, 2020. (ANALIZA A. PABIA, PIO)

# ***Man shot dead by SUV-riding gunmen in Maasin City***

TACLOBAN CITY-A 35-year old man was shot dead by still unidentified gunmen onboard a sports utility vehicle (SUV) in Maasin City, Southern Leyte last November 17, 2020.

Police identified the victim as Nhiel Sansan, married, self-employed, and a resident of Barangay Ibarra, Maasin City.

In an initial investigation, Sansan was waiting for the mechanics to repair his driven tricycle inside a vulcanizing shop in Barangay Ibarra around 9:30 am when two unidentified male suspects alighted from an SUV and shot him using long firearms.

The victim was hit several times in his head, shoulder, arm, chest, and left foot that resulted in his instantaneous death, police said in the report.

The gunmen immediately fled towards the direction of Macrohon town, it added.

Police collected 28 pieces of fired cartridges and one slug fragment in the scene.

A post mortem examination was also conducted.

Police are investigating the incident.

the villages of Amantacop, San Mateo, and Canyupay.

In 2019, the city experienced two NPA related incidents, one happened in the upland village of Pinanag-an where six soldiers were killed and 20 others are wounded while the other happened in the village of Libuton, where landmine was used by the communist group to attack personnel of the Philippine National Police.

A policeman and a ci-

vilian were killed in the incident.

Meanwhile, BGen Ligayo, expressed his heartfelt appreciation to the city government for its achievements in the various program for peace in partnership with the Armed Forces of the Philippines.

He also added that the establishment of Caggu in the city is to maintain peace and help develop the community and thwart the possible atrocities of the rebels that could hinder the development of Borongan City. **(ROEL T. AMAZONA)**

# Are you disposing your **USED** face masks and gloves **PROPERLY** ?

Personal Protective Equipment (PPE) such as disposable face masks and gloves have become household essentials in this time of pandemic.

Face masks and gloves are considered **household healthcare wastes**.

Used PPE presents a problem if its disposal is not properly managed. It may end up as plastic waste in our water bodies.

Thus, the Department of Environment and Natural Resources requires everyone to practice the proper handling and disposal of PPE at home, to mitigate the proliferation of plastic waste and the spread of COVID-19.

## 4 steps on how to properly dispose used face mask and gloves:

- 1 Remove face mask by removing the lace or ear loop from behind. Do not touch the front of the mask.

Remove gloves by pinching one glove at the wrist. Without touching the skin, peel it away from the hand, turning the glove inside out. Hold the removed glove in the gloved hand. Then, remove the second glove by rolling it down and folding it into the first glove.

- 2 Disinfect used face mask and/or gloves by soaking it in a mixture solution of 1 tablespoon of bleach and 1.5-liter of clean water for 30 minutes.

- 3 For proper disposal, put used face mask or gloves in a segregated and sealed waste bag or in a yellow bag labeled as "household healthcare wastes."

- 4 After disposal, wash hands thoroughly with soap and water, or use alcohol or hand sanitizer.

If we properly dispose of our used household healthcare wastes, we protect ourselves, other people, and the future generation.
